Dear Mr. Watford:

Stefano,

Salvatore Lizzio of 9666 Noble Court in New Port Richey (376-8358) stopped by my office to discuss his most recent water bill. He believes that one person could not have used the number of gallons showing on his bill (more than 17,000). I understand that he has requested assistance from your office in determining whether he has a problem with his meter or whether he has a leak somewhere in the system. I would greatly appreciate any assistance you can provide to Mr. Lizzio. He is hoping to find an answer to this problem before the July 9 due date of the bill.

Thanks in advance for your help. If I can ever do anything for you, please do not hesitate to contact me.

Yours truly,
