Director of Communications  
Florida Public Service Commission  
2540 Shumard Oak Boulevard  
Tallahassee, FL 32399-0850

Dear Mr. D'Haeseleer:

This letter is in response to your memo dated June 11, 1998 on the flow through of switched access rate reductions by GTE and Sprint, as ordered in Docket No. 980459-TP.

Please be advised that ACC National Long Distance Corp. does not deal directly with either GTE-Florida or Sprint-Florida as an access provider. ACC National Long Distance Corp. is a reseller of other long distance carriers' services in the state of Florida. Unless our underlying carrier reduces rates to us, we have no rate reductions to flow through. That is currently the case.

If there are any questions on this information, please feel free to contact me directly. I can be reached at (716) 987-3227.

Yours truly,
