RE: Docket #980298-WS  
Notices to Mayors

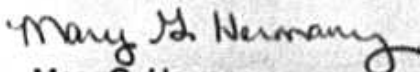

Dear Mr. Redemann:

This letter is to correct an incorrect docket number used in a letter that was mailed (and faxed) to you earlier today (see attached copy labeled "Duplicate"). In the reference of the first letter, the docket #980656-WS was used. You called me and informed me that the two dockets (#980656-WS given in May 1998 and #980298-WS given in February 1998) had been combined. The correct docket number should be #980298-WS.

Please attach this letter to the letter mailed earlier today with the reference "Notices to Mayors" so that the Division of Records and Reporting and the Division of Water and Wastewater apply the information to the correct docket.

Let me know if I need to do anything else. Thanks for your help.

Sincerely,

Mary G. Hermany  
Office Manager

RE: Docket #980656-WS  
Notices to Mayors

Dear Mr. Redemann:

Following are the signed fax copies from the Mayors of Neptune Beach and the Town of Baldwin regarding the Notice of Application for an Extension of Service Area dated February 24, 1998 and pertaining to the DRMO Facility. On July 1, 1998, I mailed original copies of the Notice to the two separate offices.

Sorry for the delay due to my mailing the notices to the incorrect addresses. Thanks for your help in this matter.

Let me know if I need to do anything else.

Sincerely,

Mary G. Hermany

Dear Mr. Mayor:

Following is a copy of a Notice of Application for an Extension of Service Area that we mailed in February 1998 to governmental agencies in or near our certificated service area. The list is provided by the Florida Public Service Commission and is required as part of our filing for the extension. In February 1998, I mailed the notice to you but I used the incorrect address. Although the mail was not returned, I need to mail you another copy at the correct address above. In the meantime, will you please sign below indicating that you do or do not have an objection to the said application and fax this back to me as soon as possible. Normally, the procedure is to object in writing within 30 days from the notification date. However, the Florida Public Service Commission cannot process the remainder of our application unless we wait an additional 30 days or we can have your signature on this form stating that you have an objection (and will follow up with a written objection) or that you have no objection.

If you have any questions, please do not hesitate to contact me. I sincerely appreciate your immediate attention to this matter and apologize for mailing the original to the incorrect address.

I do not have any objection to the Notice of Application for an Extension of Service Area from Ortega Utility Company dated February 24, 1998 and pertaining to the DRMO Facility in their certificated service area.
