 Chief of Police

June 29, 1998

TO: Mr. Tomi McCoy
 FROM: Robert E. Mark, Chief of Police
 SUBJECT: WEST OAKS MALL PAY TELEPHONES

The City of Ocoee is situated approximately 4 miles West of Orlando, with boundaries of cities like Windermere, Apopka and Orange County unincorporated Pine Hills. Our population in 1994 was approximately 16,000 and today has a population of approximately 23,000 plus.

We are the fastest growing city in Central Florida today. With the growth of new subdivisions, more people, roadways and a new mall (The West Oaks Mall) of approximately 1,000,000 square feet, we are experiencing the same problems of any fast growing city.

The Ocoee Police Department has grown from 30 to 51 sworn certified police officers, and has just been awarded a grant for 15 additional police officers from the Department of Justice. This influx of personnel has been due to calls for service city wide. Some of the problems have been mall related, fueled in part by gang (Peoples Nation, Folk Nation, Latin Kings, etc.) activity at the West Oaks Mall. Our department, along with the Orange County Gang Task Force, has concentrated some of our efforts at the mall.

Attached to this memo is a monthly activity report detailing the problems at the mall. The arrests appear to be down in 1998 because our new computer system hasn't been able to provide us the juvenile arrests; hopefully this problem will be rectified soon.

Observations by uniformed and non-uniformed personnel assigned to the mall reveal that most of the youth are congregating by the public pay phones receiving calls related to the activity in the mall. It is our desire to have the telephones restricted so telephone calls cannot be received. Again, there are telephones throughout the mall; our concern for the telephone blockage is in the area of the food court and movie theater only.

We do understand your concerns, but this will help our personnel to restrict the congregation of this type of activity in the mall.

Thank you for your attention and cooperation regarding this issue.
