Re: Docket No. 971573-TC  
Attn: Division of Records and Reporting

In response to the enclosed letter from your office dated December 3, 1997, regarding pay telephone service, please be advised that this service has been cancelled. GTE was contacted and made aware that due to "limited activity", it was no longer cost effective for Gulf Coast Medical Center to continue the pay phone service. According to our records, the effective date of cancellation for the following numbers was 7/1/98:

*Phone Number #813-819-8614*

*Phone Number #813-862-9945*

Please send our office a letter confirming you have received our reply, indicating the above information was confirmed. Any further questions regarding this matter, please don't hesitate to give our office a call.

Sincerely,

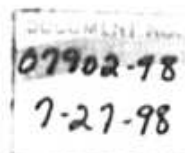

*Tina Strobbe*
