 Data Request: Section 2 of Chapter 98-277
 Item No. 1
 Page 1 of 5

REQUEST

- (a) Please provide a contribution analysis for "voice-grade, flat-rate residential local exchange service", as this term is used in Section 364 02(2), F.S.
- (b) Please provide the cost study and all associated work papers and related documentation, that results in the contribution analysis in (a).
- (c) Please provide a contribution analysis for "voice-grade, flat-rate single-line business local exchange service", as this term is used in Section 364 02(2), F.S.
- (d) Please provide the cost study and all associated work papers and related documentation, that results in the contribution analysis in (c).
- (e) Please provide a contribution analysis for ESSX/Centrex service.
- (f) Please provide the cost study and all associated work papers and related documentation, that results in the contribution analysis in (e).
- (g) Please provide a contribution analysis for PBX trunk service.
- (h) Please provide the cost study and all associated work papers and related documentation, that results in the contribution analysis in (g).
- (i) Please provide a contribution analysis for all multi-line circuit-switched business services other than those indicated in (e) and (g).
- (j) Please provide the cost study and all associated work papers and related documentation, that results in the contribution analysis in (i).

RESPONSE:

In conversations between Frontier Communications of the South, Inc.'s ("Frontier") counsel and Commission staff, Frontier has notified staff that it does not have a TSLRIC cost study required to perform the contribution analysis requested in this data request. Frontier recognizes the importance of staff's request and the need for any information that the Company can provide.

In the effort to assist staff, Frontier is providing rate and quantity information for the services identified in this data request. Frontier does consider some of this data to be proprietary confidential business information and where such information is located is highlighted in the response. Please see the attachments for this information.

 Data Request: Section 2 of Chapter 98-277
 Item No. 2
 Page 5 of 5

- REQUEST:
- (a) Please provide any studies, reports or analyses conducted by or for your company that concern the relationship between the price and quantity demanded for various services offered by your company. If the company does not have company-specific studies, reports or analyses, but does have studies reports or analyses that deal with this subject within the past 10 years, please provide such studies, reports or analyses.
 - (b) Please provide any studies, reports or analyses conducted by or for your company that concern the consumption patterns of your Florida customers as it pertains to telecommunications purchases. If the company does not have company-specific studies, reports or analyses, but does have relevant materials prepared within the past five years, please provide such studies, reports or analyses.
 - (c) To the extent not provided in response to (b), please provide any reports, studies, surveys or analyses prepared within the past five years that discuss the ability of Florida consumers to pay for various telecommunications products and services.
 - (d) To the extent not provided in response to (b), please provide any reports, studies, surveys or analyses prepared within the past five years that discuss the willingness of Florida consumers to pay for various telecommunications products and services.
 - (e) To the extent not provided in response to (b), please provide any reports, studies, surveys or analyses prepared within the past five years that discuss the relative valuation placed upon various telecommunications products and services by Florida consumers.
 - (f) Please provide any reports, studies or analyses in your possession prepared within the past five years that compare or discuss the relative price levels of residential basic local exchange service in the United States.
 - (g) Please provide any reports, studies or analyses in your possession prepared within the past five years that compare or discuss the price paid for typical mixes of telecommunications products and services by residential customers in different areas of the United States. If known, please indicate the dollar amount associated with each component of the "market basket" of telecommunications goods and services. (E.g., indicate amount typically spent on local service, toll, and other services, taxes and other fees, etc.)

- RESPONSE
- (a), (b), (c), (d), (e) and (g) - Frontier Communications of the South, Inc. does not have any studies, reports or analyses to provide the information requested in this data requested.
 - (f) Please see GTC, Inc.'s attachment to question 6 (f)
