RE: Docket No. 980696-TP

Dear Ms. Bayo:

On August 5, 1998, the Florida Cable Telecommunications Association, Inc. (FCTA) filed notice of its Third Request for Production of Documents to GTE Florida, Inc. (6) and its Third Request for Production of Documents to BellSouth Telecommunications, Inc. (6). Copies of the notices and document requests were served on the parties of record.

It came to my attention today that a typographical error appears in the title of both document requests. They were erroneously entitled as FCTA's Second Request for Production of Documents. The title of both August 5, 1998 document requests should be corrected to read Florida Cable Telecommunications Association's Third Request for Production of Documents to GTE Florida, Inc. (6) and Florida Cable Telecommunications Association's Third Request for Production of Documents to BellSouth Telecommunications, Inc. (6). The Notices of Service were correctly titled and the document requests were properly numbered in sequence, so this typographical error should have resulted in little confusion.

Thank you for your assistance in processing this filing. Please contact me with any
