Docket _____

**Application to Cancel
Certificate of Public Convenience and Necessity**

NOW COMES Insurance Information Exchange, L.L.C. ("IIX") and in support of it's Application to cancel it's Certificate of Public Convenience and Necessity states the following:

1. On December 10, 1997, in Docket No. 971178-TI, IIX was issued a Certificate of Public Convenience and Necessity ("Certificate") to provide interexchange telecommunications service which Certificate was numbered 5290.
2. Due to a change in the business direction of the company IIX no longer seeks to be a provider of interexchange telecommunications services within the State of Florida.
3. Since the issuance of the Certificate, IIX has not provisioned service or invoiced customers in the State of Florida. As a result, cancellation of IIX's Certificate is reasonable and would not be unduly disruptive to the present or future public convenience.

NOW THEREFORE, by filing this verified Application, Insurance Information Exchange L.L.C. seeks the entry of an Order by the Florida Public Service Commission ("Commission") canceling and terminating both it's Certificate and tariff effective with the date of such Order of the Commission.

Respectfully Submitted,

Leon L. Nowalsky
