**EXHIBIT II**

**FINANCIAL CAPABILITY**

**Ernest Communications, Inc.**

**Statement of Financial Capability**

The purpose of this document is to highlight the financial strengths of the Company and serve as the Company's Statement of Financial Capability.

Ernest Communications, Inc. has sufficient financial capability to provide the requested telecommunication services in Indiana, the financial capability to maintain these services, and the financial capability to meet its lease and ownership obligations. Attached is the July 31, 1998 balance sheet of Ernest Communications, Inc. along with a copy of its July 31, 1998 bank statement at SunTrust Bank.

Ernest Communications, Inc. has not been operating since its inception on May 11, 1998, and therefore does not have an income statement.

The Company has established a strong team to support its venture into the telecommunications market. The Company has and will outsource business functions to obtain expertise and provide a financial and technical competitive advantage in the industry.

**Summary**

As noted in the analysis documented above, the Company has prepared prudently for its venture into the resold interexchange services market. The Company has positioned itself to add large amounts of revenue growth while keeping expenses under control. The Company has sufficient financial capability to provide the requested telecommunication services, sufficient financial capability to meet all lease and ownership obligations, and sufficient financial capability to maintain a large Customer base.

**Ernest Communications, Inc.**

**EXHIBIT IV**

**TECHNICAL CAPABILITY**

## TECHNICAL CAPABILITY

Ernest Communications, Inc. has been in the business of manufacturing pay telephone equipment since 1990. The company has a proven track record for providing high quality services and responsive customer service.

The company intends to provide local exchange service throughout Florida as a reseller of the incumbent local exchange company's facilities. As a reseller, Ernest Communications, Inc. will rely on its facilities-based underlying carriers for the operation and maintenance of the local exchange network. The company will use only reputable underlying carriers to ensure that high quality service is provided to customers. Ernest Communications's resale experience in the interexchange services market will enable it to competently manage the technical aspects of its resold local exchange services. In its expansion into the local exchange market, to the benefit of its customers, the company will take advantage of many of its existing operations including billing arrangements, customer service and network management.

The profiles of key personnel provided in Exhibit II of this application provide further evidence of the company's technical capability to provide local services.
