VOTE SHEET

AUGUST 18, 1998

RE: DOCKET NO. 980766-EI - Petition by Florida Power Corporation for approval of Economic Development Rider (Rate Schedule GSED-1) and standard form Customer Agreement.

Issue 1: Should the Commission approve Florida Power Corporation's Economic Development Rider and standard form customer agreement?

Recommendation: No. Past Commission orders have approved economic development discount tariffs requiring all rate-discount customers to pay the full cost of recovery clauses. Staff believes that FPC should refile its tariff in accordance with the previously approved tariffs. Staff recommends that the Commission deny FPC's tariff as filed.

APPROVED as **modified at conference.*

**Staff modified recommendation by recommending revised tariff be approved.*
