To Whom It May Concern:

Re: Study on Fair Rates (No. 980000A-5P)

We live half the time in Minnesota and half the time in Florida. We keep our FL phone number for \$6.50 per month, \$4.75 for Residential Line + FCC charge of \$1.75. ON our latest bill the taxes on regulated services amount to \$0.81.

Now add other charges, Universal Connectivity charge of \$1.86 plus Carrier Line Charge of \$1.70 plus more taxes for FL and Federal of another \$0.20. This totals \$3.76

Where is the common sense when \$6.50 ends up being \$11.07?  
We are not happy!
