Dear Florida Public Service Commission,

I would like my written comments to be part of the study and report to the Legislature, its conclusions as to the fair and reasonable Florida residential basic local telecommunications service rates.

Englewood FL is part of Charlotte + Sarasota Counties. We here in Englewood pay .25¢ per call to Sarasota, which is further away than Charlotte County.

We pay long distance service rates for calls to and from Englewood to Charlotte County.

I feel a rate change is necessary and needed for calls placed to and from Englewood to Charlotte County. My suggested answer to this dilemma is to make these Englewood / Charlotte County calls .25¢ per call also.

Thank You for your attention in this matter.

Sincerely,
Holly Giblin
