Dear Sir / Madam: (Collier County)

We live in North Naples, just a couple of miles from Lee County. We call Fort Myers multiple times each month and it costs 25¢ each time. This includes the use of the modem to log on the Internet. Sprint does not have a rate package to help with these extra cost - nor have they talked about instituting a no charge from Naples to Fort Myers.

The communities of Naples, Bonita Springs and Fort Myers have become so close, as a unit - there are so many connections among these communities. I hope that you can do something about this situation.

Thank you.
