* If the applicant is a corporation, the affidavit must be made by the president or other officer authorized by the by-laws of the corporation to act for it. If the applicant is a partnership or association, a member of the organization authorized to make such affidavit shall execute same.

CHAPTER 25-30.039, F.A.C. APPLICATION FOR NAME CHANGE

- (1) This rule shall apply to a certificated utility that changes its name only, with no change in the ownership or control of the utility or its assets.
- (2) Bach application for approval of a change in name of a certificated utility shall include the following information:

(a) The complete name, address, and type of business entity of the certificated utility;

- (b) The proposed change in name and the type of business entity under the new name;
- (c) A statement setting out the reasons for the name change;
- (d) The effective date of the name change;
- (e) In the case of a corporation, limited partnership, or any other type of entity that is chartered by the State of Florida or any other state, a copy of the certificate or other document issued by the state showing its acceptance of the entity's new name. In addition, an officer of the entity shall provide a statement that the ownership and control of the utility and its assets will not change under the proposed name. In the case of a sole proprietorship, general partnership, or any other type of entity not chartered by the State of Florida or any other state, a statement, signed by a duly authorized representative, that the ownership and control of the utility and its assets will not change under the proposed name;
- (f) A proposed notice to be sent to the customers of the utility informing them of the change in utility name;
- (g) An original and two copies of a proposed tariff reflecting the name change, including all standard forms; and,
- (h) The applicant's current certificate.
- (3) After the Commission staff approves the customer notice, the utility shall send the approved customer notice to all existing customers with the next regular billing, advising them of the name change.

Specific Authority: 367.121, F.S. Law Implemented: 367.121, F.S. History: New 11/30/93.

EXHIBIT A

A statement setting out the reason for the name change.

Response:

The utility is dropping its D/B/A "Hudson Bay Company" because it was not being used. It was the latter half of the complete name Hudson Utilities, Inc. D/B/A Hudson Bay Company. Hudson Utilities, Inc. has always been the certificate holder, and therefore the certificate requires no name change.

Department of State

I certify from the records of this office that HUDSON UTILITIES, INC., is a corporation organized under the laws of the State of Florida, filed on June 20, 1975.

The document number of this corporation is 479372.

I further certify that said corporation has paid all fees and penalties due this office through December 31, 1997, that its most recent annual report was filled on March 21, 1997, and its status is active.

I further certify that said corporation has not filed Articles of Dissolution.

Given under my hand and the Great Seal of the State of Morida, at Anilalpassee, the Capitol, this the Twenty-fourth day of April, 1997

CR2EO22 (2-95)

Sandra W. Mortipan Secretary of Sinte

EXHIBIT C

A statement from an officer that the ownership and control of the utility and its assets will not change under the proposed name.

Response:

Please be advised that the ownership and control of the utility and its assets will not change under the proposed name.

However, an "Application for Transfer of Majority Organizational Control" is being processed simultaneously under separate cover.

The President and issuing officer remains the same.

Hudson Utilities, Inc.

Robert Bammann
President and Issuing Officer

Name Available Sheet No.

Not applicable at this time (Held For Future Use)

WASTEWATER TARIFF

TECHNICAL TERMS AND ASSREVIATIONS

- 1.0 "BFC" The abbreviation for "Base Facility Charge" which is the minimum amount the Company may charge its Customers and is separate from the amount the Company bills its Customers for wastewater consumption.
- 2.0 <u>"CERTIFICATE"</u> A document issued by the Commission authorizing the Company to provide wastewater service in a specific territory.
- 3.0 "COMMISSION" The shortened name for the Florida Public Service Commission.
- 4.0 "COMMUNITIES SERVED" The group of Customers who receive wastewater service from the Company and whose service location is within a specific area or locality that is uniquely separate from another.
- 6.0 "COMPANY" The shortened name for the full name of the utility which is Hudson Utilities, Inc...
- 6.0 "CUSTOMER" Any person, firm or corporation who has entered into an agreement to receive wastewater service from the Company and who is liable for the payment of that wastewater service.
- 7.0 "CUSTOMER'S INSTALLATION" All pipes, shut-offs, valves, fixtures and appliances or appearatus of every kind and nature used in connection with or forming a part of the installation for disposing of wastewater located on the Customer's side of the Service Connection whether such installation is owned by the Customer or used by the Customer under lease or other agreement.
- 8.0 <u>"MAIN"</u> A pipe, conduit, or other facility used to convey wastewater service from individual service lines or through other mains.
- 9.0 "RATE" Amount which the Company may charge for wastewater service which is applied to the Customer's water consumption.
- 10.0 "RATE SCHEDULE" The rate(s) or charge(s) for a particular classification of service plus the several provisions necessary for billing, including all special terms and conditions under which service shall be furnished at such rate or charge.

(Continued to Sheet No. 5.1)

WASTEWATER TARIFF

(Continued from Sheet No. 5.0)

- "SERVICE" As mentioned in this tariff and in agreement with Customers, "Service" shall be 11.0 construed to include, in addition to all wastewater service required by the Customer, the readiness and ability on the part of the Company to furnish wastewater service to the Customer. Service shall conform to the standards set forth in Section 367.111 of the Florida Statutes.
- 12.0 "SERVICE CONNECTION" - The point where the Company's pipes or meters are connected with the pipes of the Customer.
- 13.0 "SERVICE LINES" - The pipes between the Company's Mains and the Service Connection and which includes all of the pipes, fittings and valves necessary to make the connection to the Customer's premises, excluding the meter.
- 14.0 "TERRITORY" - The geographical area described, if necessary, by metes and bounds but, in all cases, with township, range and section in a Certificate, which may be within or without the boundaries of an incorporated municipality and may include areas in more than one county.

WASTEWATER TARIFF

RULES AND REGULATIONS

- 1.0 GENERAL INFORMATION These Rules and Regulations are a part of the rate schedules and applications and contracts of the Company and, in the absence of specific written agreement to the contrary, apply without modifications or change to each and every Customer to whom the Company renders wastewater service.
 - The Company shall provide westewater service to all Customers requiring such service within its Certificated territory pursuant to Chapter 25-30, Florida Administrative Code and Chapter 367, Florida Statutes.
- 2.0 <u>POLICY DISPUTE</u> Any dispute between the Company and the Customer or prospective Customer regarding the meaning or application of any provision of this tariff shall upon written request by either party be resolved by the Florida Public Service Commission.
- 3.0 <u>APPLICATION</u> In accordance with Rule 25-30.310, Florida Administrative Code, a signed application is required prior to the initiation of service. The Company shall provide each Applicant with a copy of the brochure entitled "Your Water and Wastewater Service," prepared by the Florida Public Service Commission.
- 4.0 <u>APPLICATIONS BY AGENTS</u> Applications for wastewater service requested by firms, partnerships, associations, corporations, and others shall be rendered only by duly authorized parties or agents.
- 5.0 <u>REFUSAL OR DISCONTINUANCE OF SERVICE</u> The Company may refuse or discontinue wastewater service rendered under application made by any member or agent of a household, organization, or business in accordance with Rule 25-30.320, Florida Administrative Code.
- 6.0 EXTENSIONS Extensions will be made to the Company's facilities in compliance with Commission Rules and Orders and the Company's terriff.
- 7.0 TYPE AND MAINTENANCE In accordance with Rule 25-30.545, Florida Administrative Code, the Customer's pipes, apparatus and equipment shall be selected, installed, used and maintained in accordance with standard practice and shall conform with the Rules and Regulations of the Company and shall comply with all laws and governmental regulations applicable to same. The Company shall not be responsible for the maintenance and operation of the Customer's pipes and facilities. The Customer expressly agrees not to utilize any appliance or device which is not properly constructed, controlled and protected or which may edversely affect the wastewater service. The Company reserves the right to discontinue or withhold wastewater service to such apparatus or device.

(Continued on Sheet No. 8.0)

WASTEWATER TARIFF

(Continued from Sheet No. 7.0)

8.0 CONTINUITY OF SERVICE - In accordance with Rule 25-30.250, Florida Administrative Code, the Company will at all times use reasonable diligence to provide continuous wastewater service and, having used reasonable diligence, shall not be liable to the Customer for failure or interruption of continuous wastewater service.

If at any time the Company shall interrupt or discontinue its service, all Customers affected by said interruption or discontinuance shall be given not less than 24 hours written notice.

9.0 <u>LIMITATION OF USE</u> - Wastewater service purchased from the Company shall be used by the Customer only for the purposes specified in the application for wastewater service. Wastewater service shall be rendered to the Customer for the Customer's own use and shall be collected directly into the Company's main wastewater lines.

In no case shall a Customer, except with the written consent of the Company, extend his lines across a street, alley, lane, court, property line, avenue, or other way in order to furnish wastewater service to the adjacent property even though such adjacent property may be owned by him. In case of such unauthorized extension, sale, or disposition of service, the Customer's wastewater service will be subject to discontinuance until such unauthorized extension, remetering, sale or disposition of service is discontinued and full payment is made to the Company for wastewater service rendered by the Company (calculated on proper classification and rate schedules) and until reimbursement is made in full to the Company for all extra expenses incurred for clerical work, testing, and inspections. (This shall not be construed as prohibiting a Customer from remetering.)

- 10.0 CHANGE OF CUSTOMER'S INSTALLATION No changes or increases in the Customer's installation, which will materially affect the proper operation of the pipes, mains, or stations of the Company, shall be made without written consent of the Company. The Customer shall be liable for any change resulting from a violation of this Rule.
- 11.0 INSPECTION OF CUSTOMER'S INSTALLATION All Customer's wastewater service installations or changes shall be inspected upon completion by a competent authority to ensure that the Customer's piping, equipment, and devices have been installed in accordance with accepted standard practice and local laws and governmental regulations. Where municipal or other governmental inspection is required by local rules and ordinances, the Company cannot render wastewater service until such inspection has been made and a formal notice of approval from the inspecting authority has been received by the Company.

Not withstanding the above, the Company reserves the right to inspect the Customer's installation prior to rendering wastewater service, and from time to time thereafter, but assumes no responsibility whatsoever for any portion thereof.

(Continued on Sheet No. 9.0)

WASTEWATER TARIFF

(Continued from Sheet No. 8.0)

- 12.0 ACCESS TO PREMISES In accordance with Rule 25-30.320(2)(f), Florida Administrative Code, the Customer shall provide the duly authorized agents of the Company access at all reasonable hours to its property. If reasonable access is not provided, service may be discontinued oursuant to the above rule.
- 13.0 PROTECTION OF COMPANY'S PROPERTY The Customer shall exercise reasonable diligence to protect the Company's property. If the Customer is found to have tampered with any Company property or refuses to correct any problems reported by the Company, service may be discontinued in accordance with Rule 25-30.320, Florida Administrative Code. In the event of any loss or damage to property of the Company caused by or arising out of carelessness, neglect, or misuse by the Customer, the cost of making good such loss or repairing such damage shall be paid by the Customer.
- 14.0 RIGHT-OF-WAY OR EASEMENTS The Customer shall grant or cause to be granted to the Company, and without cost to the Company, all rights, essements, permits, and privileges which are necessary for the rendering of wastewater service.
- 15.0 <u>CUSTOMER BILLING</u> Bills for wastewater service will be rendered Monthly, Birnonthly, or Quarterly as stated in the rate schedule.

in accordance with Rule 25-30.335, Florida Administrative Code, the Company may not consider a Customer delinquent in paying his or her bill until the twenty-first day after the Company has mailed or presented the bill for payment.

A municipal or county franchise tax levied upon a water or wastewater public utility shall not be incorporated into the rate for water or wastewater service but shall be shown as a separate item on the Company's bills to its Customers in such municipality or county

if a utility utilizes the base facility and usage charge rate structure and does not have a Commission authorized vacation rate, the Company shall bill the Customer the base facility charge regardless of whether there is any usage.

PAYMENT OF WATER AND WASTEWATER SERVICE BILLS CONCURRENTLY in accordance with Rule 25-30.320(2)(g), Floride Administrative Code, when both water and wastewater service are provided by the Company, payment of any wastewater service bill rendered by the Company to a Customer shall not be accepted by the Company without the simultaneous or concurrent payment of any water service bill rendered by the Company.

(Continued on Sheet No. 10.0)

WASTEWATER TARIFF

(Continued from Sheet No. 9.0)

- 17.0 <u>DELINQUENT BILLS</u> When it has been determined that a Customer is delinquent in paying any bill, wastewater service may be discontinued after the Company has mailed or presented a written notice to the Customer in accordance with Rule 25-30.320, Florida Administrative Code.
- 18.0 <u>TERMINATION OF SERVICE</u> When a Customer wishes to terminate service on any premises where wastewater service is supplied by the Company, the Company may require reasonable notice to the Company in accordance with Rule 25-30.325, Florida Administrative Code.
- 19.0 <u>UNAUTHORIZED CONNECTIONS</u> <u>WASTEWATER</u> Any unauthorized connections to the Customer's westewater service shall be subject to immediate discontinuance without notice, in accordance with Rule 25-30.320, Florida Administrative Code.
- 20.0 ADJUSTMENT OF BILLS When a Customer has been undercharged as a result of incorrect application of the rate schedule or, if wastewater service is measured by water consumption and a meter error is determined, the amount may be credited or billed to the Customer as the case may be, pursuant to Rules 25-30.340 and 25-30.350, Florida Administrative Code.
- 21.0 FILING OF CONTRACTS Whenever a Developer Agreement or Contract, Guaranteed Revenue Contract, or Special Contract or Agreement is entered into by the Company for the sale of its product or services in a manner not specifically covered by its Rules and Regulations or approved Rate Schedules, a copy of such contracts or agreements shall be filled with the Commission prior to its execution in accordance with Rule 25-9.034 and Rule 25-30.550, Florida Administrative Code. If such contracts or agreements are approved by the Commission, a conformed copy shall be placed on file with the Commission within 30 days of execution.
- 22.0 EVIDENCE OF CONSUMPTION The initiation or continuation or resumption of water service to the Customer's premises shall constitute the initiation or continuation or resumption of wastewater service to the Customer's premises regardless of occupancy.

Notification of Deposit Policy Multi-Family, General Service and Bulk Flow Meter Customers

NOTIFICATION OF DEPOSIT POLICY HUDSON UTILITIES, INC.

TO ALL GENERAL SERVICE, MULTI-FAMILY AND BULK FLOW METER CUSTOMERS OF HUDSON UTILITIES, INC.

This notice regarding our deposit policy for wastewater service is being presented to you so that should it become necessary in the future for Hudson Utilities, Inc. to impose a deposit on your account for any of the following reasons you will have advanced notice of this deposit policy:

- 1. Made more than one late payment of the bill (after the expiration of 20 days from the date of mailing or delivery by the Company).
- 2. Paid with a check refused by a bank.
- Been disconnected for non-payment.
- 4. At any time tampered with the meter or used service in a fraudulent or unauthorized manner.

In the event any of the above situations occur, Hudson Utilities, Inc. through approval of the Florida Public Service Commission has been given authorization to impose a deposit on the customer which is computed as follows: the total amount of the required deposit shall not exceed an amount equal to the average actual charge for wastewater service for two monthly billing periods for the 12 month period immediately prior to the date of notice. In the event the customer has had service less than 12 months, the Company shall base its new or additional deposit upon the average actual monthly billing available. The Company may require you to satisfactorily establish credit, but such establishment of credit shall not relieve the customer from complying with the Company's Rules for prompt payment. Credit will be deemed so established in accordance with Rule 25-30.311, Florida Administrative Code, if:

- a. The customer with service furnishes a satisfactory guarantor to secure payment of billing for the service requested.
- The customer pays a cash deposit computed pursuant to the above formula.
- c. The customer with service furnishes an irrevocable letter of credit from a bank or a surety bond.

INTEREST ON DEPOSIT - The Company shall pay interest on customer deposits pursuant to Rule 25-30.311(4) and 4(a). The rate of interest is 9% per annum. The payment of interest shall be made once each year as a credit on regular bills or when service is discontinued as a credit on final bills. No customer depositor will receive interest on his or her deposit until a customer relationship and the deposit have been in existence for at least six (6) months. At such time, the customer depositor shall be entitled to receive interest from the date of the commencement of the customer relationship and placement of the deposit. The Company will pay or credit accrued interest to the customer's account during the month of January each year.

Notification of Deposit Policy Residential Customers

NOTIFICATION OF DEPOSIT POLICY HUDSON UTILITIES, INC.

TO ALL RESIDENTIAL CUSTOMERS OF HUDSON UTILITIES, INC.

This notice regarding our deposit policy for wastewater service is being presented to you so that should it become necessary in the future for Hudson Utilities, Inc. to impose a deposit on your account for any of the following reasons, you will have advanced notice of the deposit policy:

- 1. Made more than one late payment of the bill (after the expiration of 20 days from the date of mailing or delivery by the Company).
- 2. Paid with a check returned by a bank.
- 3. Been disconnected for non-payment.
- 4. At any time tampered with the meter or used service in a fraudulent or unauthorized manner.

In the event any of the above situations occur, Hudson Utilities, Inc. through approval of the Florida Public Service Commission has been given authorization to impose a \$60.00 deposit fee for residential customers. The Company may require you to satisfactorily establish credit, but such establishment of credit shall not relieve the customer from complying with the Company's Rules for prompt payment. Credit will be deemed so established, in accordance with Rule 25-30.311, Florida Administrative Code, if:

- a. The customer with service furnishes a satisfactory guarantor to secure payment of bills for the service requested.
- b. The customer pays a cash deposit of \$60.00.
- c. The customer with service furnishes an irrevocable letter of credit from a bank or a surety bond.

INTEREST ON DEPOSIT - The Company shall pay interest on customer deposits pursuant to Rule 25-30.311(4) and (4a). The rate of interest is 8% per annum. The payment of interest shall be made once each year as a credit on regular bills or when service is discontinued as a credit on final bills. No customer depositor will receive interest on his or her deposit until a customer relationship and the deposit have been in existence for at least six (6) months. At such time, the customer depositor shall be entitled to receive interest from the date of the commencement of the customer relationship and placement of the deposit. The Company will pay or credit accrued interest to the customer's account during the month of January each year.

REFUND OF DEPOSIT - After a residential customer has established a satisfactory payment record and has had continuous service for a period of 23 months, the Company shall refund the customer's deposit provided the customer has complied with the requirements set forth in items 1 through 4 above. Nothing in this rule shall prohibit the Company from refunding a customer's deposit in less than 23 months.

HUDSON UTILITIES COMPANY, INC. WASTEWATER TARIFF

SERVICE AVAILABILITY POLICY

Hudson Utilities, Inc. , serves the small community of Hudson. It currently serves about 850 residential and 66 general service customers.

The utility is currently undertaking an aggressive expansion program which will entail approximately \$7,000,000 in additional plant expenditures. The service availability fees are designed so that the utility will be approximately seventy-five percent contributed at its designed capacity.

The utility installs all of the facilities necessary to provide wastewater service to a property. A system capacity charge is collected for all new wastewater connections and may be collected one time or through installment payments for each connection. This charge represents the customer's prorata share of the cost of the wastewater collection system which has been installed by the utility, the cost of which includes a wastewater lateral.

TITLE

FOR SERVICE AVAILABILITY PURSUANT TO SECTION

367.101, F.S.

NAME OF COMPANY HUDSON UTILITIES, INC.

WASTEWATER TARIFF

PAYMENT OF CIAC/SYSTEM CAPACITY CHARGE

REQUIREMENT FOR PAYMENT OF CONTRIBUTIONS-IN-AID-OF-CONSTRUCTION

The Utility company requires the payment of contributions-in-aid-of-construction (CIAC), including the system capacity charge either by cash payments or through transfer of utility facilities and appurtenences thereto which have been installed by the applicant c. through a combination of both cash payments and a transfer of such facilities to the utility company.

The Utility Company shall collect such CIAC and other charges in accordance with this service availability policy, the tariffs, Service Agreements, Developers Agreements, and Spacial Service Availability Contracts.

For Purpose of this Service Availability Policy, the term of contribution-in-aid-of-construction or CIAC shall include but not be limited to the on-site system contributed in cash or in kind; system capacity charges; payments to defray, in part or in total, the cost of the off-site lines and related facilities.

PAYMENT OF CONTRIBUTIONS-IN-AID-OF-CONSTRUCTION (CIAC) BY INSTALLMENTS

The Utility Company may fund the CIAC required for construction by financing the construction itself and allowing the applicant to make its CIAC payment in installments. The Utility Company may include such installment charges in its bills for wastewater utility service. The Utility Company may terminate utility service for non-payment of such installment charges. The Utility Company shall be entitled to charge and collect from the applicant interest on the outstanding principle and accrued interest. The rate of such interest for each installment arrangement shall be the then average debt cost of the Utility Company. Such average debt cost is currently 10.28 percent. The rate of interest for each installment arrangement shall be constant over the life of the installment arrangement. Installment payments and the terms of such installment payments, including the time period and number of such installments, shall be equally available to all customers in like situations. All similarly situated customers shall pay the required CIAC and interest up to 24 equal monthly installment payments. The obligation to make the installment payments of principle and interest shall run with the land and be binding on the heirs, assigns and successors of applicant until the total amount of CIAC and accrued interest thereon have been paid.

Applicant shall execute a document avidencing the obligation of applicant to pay the CIAC and interest to the Utility Company and imposing a lien on the property of applicant to secure such payment in form and substance satisfactory to the Utility Company. Applicant shall record such executed document in the public records of Pasco County, Florids. In the event that Applicant or its heirs, assigns and successors defaults or is otherwise delinquent in paying any installment charges, then the Utility Company may discontinue wastewater service to the property without incurring any liability. The other terms and conditions of the installment payments shall be set forth in the service agreement.

The entire amount of CIAC to be paid pursuant to each agreement shall be entered as CIAC in the financial records of the Utility Company on the date of the agreement. At the same time, the Utility Company shall establish a notes receivable account for each agreement. All interest income received by the Utility Company pursuant to this paragraph shall be used to determine Utility Operating income.
