Re: Orchid Springs Development Corp.  
Application for a Staff Assisted Rate Case in Polk County  
Docket No. 980441-WS  
Our File No. 33061.01

Dear Paulette:

I have had an opportunity to review the Accounting Report which the PSC Staff prepared in connection with the above-referenced staff assisted rate case. While I have a number of issues which I will want to address with the Staff after I have had an opportunity to fully discuss them with the Utility, I do need some additional information in order to advise the Utility. In issue 6 on page 12, you address the president's salary and rely upon a 1981 survey which was index forward to 1998 dollars. I would appreciate it if you would provide me a copy of that survey and your working papers showing the indexing and calculation. If you will telephone my office when that information is available, I will have our messenger pick it up.

Very truly yours,
