Dear Sir:

I am a senior citizen who lives in Quincy Fla. It is very unfair to put a charge on us who are living on an income of only our small Social Security checks.

Maybe you will understand when you get old and have to pinch your pennies to try to live comfortable and have the necessities you need in case of emergency. Such as a phone - I had to have my cable turned off because they kept going up - I was not able to pay.

Don't know how much this letter will help - I pray a lot for I am speaking for us Senior Citizen's.

Thank you
