////Gentlemen:

I wanted to direct this letter to the PUBLIC SERVICE COMMISSION covering WATER RATES. If this the wrong address, please direct it to the correct office.

The above is my current address. I used to live in a Mobile Home community (a subdivision) known as BAREFOOT BAY, WHERE THE water was supplied by a utility (on the premises) called FLORIDA CITIES WATER COMPANY to about 5,000 residents.

When I moved to my present address I put my home in the hands of a realtor for sale. I left BARE FOOT BAY in February of this year and every month since then I receive a bill of \$30.24 for water which I do not and have not used. The house is not occupied. There's no sprinkler systems on the property/

Every mobile home which is not occupied and is in the hands of a realtor gets a similar bill. I am writing to you because you may not be aware of this practice, which I think is EMINENTLY UNFAIR. To pay for something you don't use is an outrage. It might take a year to sell a mobile home with a water bill for the year of \$362.88.

FPSC-RECORDS/REPORTING

As a PUBLIC SERVICE Organization you are responsible for FAIR PLAY. I'd appreciate receiving some. I believe this unfair practice should be stopped and a refund received for the months in which no water was used.

The courtesy of a reply would be appreciated. The address of FLORIDA CITIES WATER COMPANY IS SUITE 2, 931 BAREFOOT BLVD, BASEFOOT BAY, FL. 32976-7619

VERY TRULY YOURS,

George O. Delaney
