

for jury duty 3 times and
had to call long distance
everyday. Each time it cost
almost \$5.00 each time. There
are many retirees on fixed
income as we are and
cannot make too many calls.

Please do all you can
to help us. It hurts so
much when your grandchildren
wants to call or have us
call and we have to keep
remembering them we can't talk
long because of the cost. I
believe 10¢ a min is more
than fair. It should not cost
more.

Thank you,
