Availability limited to applicable customers in the northwest portion of St. John's County, as referenced in the FPL/JEA Territorial Agreement, Docket No. 980755-EU, filed with the FPSC on June 15, 1998. To qualify for this rider, applicable customers must have been served by Jacksonville Electric Authority (JEA) on or after November 30, 1998.

APPLICATION:

Service under this rider shall be limited to customers who would otherwise be served under FPL's RS-1, GS-1, GSLD-1, SL-1, and SL-2 rate schedules. GS-1 will be considered the otherwise applicable rate schedule for non-residential customers with demands below 75 kW as of November 30, 1998. SL-1 will be considered the otherwise applicable rate schedule for all street and highway and outdoor lighting applications.

SERVICE:

The same as specified in FPL's otherwise applicable rate schedule (RS-1, GS-1, GSLD-1, SL-1, SL-2).

MONTHLY RATE:

The monthly rate billed for electric service under this rider shall equal the lower of FPL's otherwise applicable rate (RS-1, GS-1, GSLD-1, SL-1, SL-2) or the rate that would have been charged under JEA's applicable rate schedule (RS, GS, GSD, SL, OS).

In computing the electric charges under this rider, adjustments may be made to the customer charge, non-fuel energy charge, and (where appropriate) the base demand charge of FPL's otherwise applicable rate schedule. All other charges, including the fuel charge, capacity payment charge, conservation charge, franchise fee, and tax adjustment clause shall be the same as FPL's otherwise applicable rate.

TERM OF SERVICE:

Three (3) years from the date of transfer from JEA's to FPL's service territory at which point service under this rider will be terminated.

RULES AND REGULATIONS:

Service under this schedule is subject to orders of governmental bodies having jurisdiction and to the currently effective "General Rules and Regulations for Electric Service" on file with the Florida Public Service Commission. In case of conflict between any provision of this schedule and said "General Rules and Regulations for Electric Service" the provision of this schedule shall apply.
