Dear Ms. Reyes:

At a recent Agenda Conference before the Florida Public Service Commission ("Commission"), several members of the Staff mentioned there had been numerous customer responses to the Application for Rate Increase in Duval, St. Johns and Nassau Counties by United Water Florida Inc., Docket No. 980214-WS.

In my review of the Records and Reporting file, it only appeared that only a couple of customer responses had been received by the Commission. I have subsequently received copies of three (3) more customer responses. I would appreciate it if you would provide me with a complete set of customer responses, e-mail, inquiries, etc., which have been collected by all the various divisions of the Commission, including the Division of Consumer Affairs, and the Commission's responses thereto in connection with this rate case. Please also arrange for me to receive copies of such documents in the future and the Commission's responses thereto.

Thank you for your assistance in this matter.

Sincerely yours,

Scott G. Schildberg
