Ms. Julia Johnson, Chair
Florida Public Service Commission
2540 Shumard Oak Boulevard
Tallahassee, FL 32399-0850

Dear Ms. Johnson:

This letter is being written in my capacity as Chairman of the Brevard County Legislative Delegation. Members of the delegation include Senator Patsy Kurth and Representatives Harry Goode, Howard Futch, Bill Posey and Randy Ball.

This purpose of the letter is to inform you that the Brevard County Legislative Delegation is against the "overlay option" which is being considered for the East Central Florida area. Members of the Delegation prefer that Brevard County be allowed to keep its present 407 area code. However, if that is not possible, the members would prefer that a new area code be designated for Brevard County. Although a new area code would prove costly to local businesses, the overlay option just doesn't seem at all practical for the county.

I trust the Commission will give great consideration to the wishes of the Brevard County Legislative Delegation concerning the proposed overlay option.

Thank you in advance for your attention to this matter. Please feel free to contact me if you have any questions or need further information.

Sincerely,

A handwritten signature in cursive script that reads "Charlie".
