RE: Docket No. 980459-TP – October 1, 1998 Flow-Through of 1998 LEC Switched Access Reductions By IXC's Pursuant to Section 364.163(6).

Florida Statutes

Dear Mr. D'Haeseleer:

Please find enclosed for filing, an original and four (4) copies of ITC^DeltaCom Communications, Inc.'s tariff filing to reduce intrastate long distance rates. The services affected by the flow-through reduction are Destiny Classic Switched (inbound and outbound) and Pinnacle Switched and Dedicated (inbound and outbound). A worksheet following the format suggested by the Commission is also enclosed with this tariff filing and is in a sealed envelope stamped "confidential".

ITC^DeltaCom has greater than \$100.00 in intrastate expense reduction but paid less than \$20 million in total Florida intrastate switched access in 1997.

Please contact me at (256) 650-3. 6, should you have any questions or require additional information.

Very truly yours,
