RE: Revision to MGC IXC Tariff No. 1 CASR 981062-T1

Dear Commission Administrator:

On reviewing the Florida consumer deposit requirements, we are revising our tariff filed August 10, 1998, to meet guidelines established in Rule 25-24.490(3). We are now only requesting a deposit of no more than one month's local exchange service.

This case number is scheduled for review by Staff on October 22, 1998. Since it has not been reviewed yet, we are asking that the attached sheet replace the original sheet 15

Sincerely,

SECTION 2 – RULES AND REGULATIONS – CONT'D**2.10 Installation and Termination**

Service is installed upon mutual agreement between the Customer and the Company. The agreement will determine terms and conditions of installation, termination of service, and conditions of installation, any applicable sales commission structure, and sales commission payment schedule. The service agreement does not alter rates specified in this tariff.

2.11 Payment for Service

The Customer is responsible for payment of all charges for services and equipment furnished to the Customer or to an Authorized User of the Customer by MGC. All charges due by the Customer are payable to the Company or to any agency duly authorized to receive such payments. The billing agency may be a local exchange telephone company, interexchange carrier, or other billing service. Terms of payment shall be according to the rules and regulations of the agency and subject to the rules of regulatory agencies, such as the FPSC. Any objections to billed charges must be reported within 60 days of receipt to the Company or the Company's billing agent or bill will be considered final. Adjustments to Customer's bills shall be made to the extent that circumstances exist which reasonably indicate that such changes are appropriate.

2.12 Deposits

2.12.1 To safeguard its interests, the Company may require a Customer to make a deposit to be held as a guarantee for the payment of charges. A deposit does not relieve the Customer of the responsibility for the prompt payment of bills on presentation. The deposit will not exceed an amount equal to:

(A) one month's charges for local exchange service. If after 90 days of service, the actual deposit is found to be greater than an amount equal to one month's local service, the Company shall, on the request of the Customer, promptly refund the difference.

2.12.2 When a service or facility is discontinued, the amount of a deposit, if any, will be applied to the Customer's account and any credit balance remaining will be refunded. Before the service or facility is discontinued, the Company may, at its option, return the deposit or credit it to the Customer's account.

2.12.3 Deposits held will accrue interest at a rate in accordance with the rules of the Florida Public Service Commission without deductions for any taxes on such deposits. Interest will not accrue on any deposit after the date on which reasonable effort has been made to return it to the Customer.
