This docket again.

The name of the company is correct:

FNL Enterprises. Inc.

But corporations apparently made a typo in their paperwork because they have placed a period between Enterprises and Inc.

The Applicants Articles of Incorporation has a period instead of a comma also.

Can you make sure the CASR has a period instead of a comma in the docket title.

Thank you.

.....
No, CMS has comma Inc. We'll fix it per this email. Thanks.
