Dear Mr. Hoffman:

The following is a list of deficiencies in the application for certificate amendment submitted by Hudson Utilities, Inc. (Docket No. 981079-SU):

- (1) Corrections are needed for the territory descriptions.
- (2) The utility is currently serving customers outside their certificated service area.
- (3) The probable rate change which will need to be addressed by a limited proceeding.
- (4) The original and two copies of sample tariff sheets reflecting the additional service area are also needed.

These deficiencies were discussed in detail with Mr. John Ellis representing your office on Friday, October 2, 1998. If you need any additional information you can contact me at 413-6954 or Samantha McRae at 413-6202.

Sincerely,

Lee R. Munroe
Engineer
