**Agreement Between BellSouth Telecommunications, Inc. and LCI International Telecom Corp.
Regarding The Sale of BST's Telecommunications Services to LCI For The Purpose of Resale**

THIS AGREEMENT is by and between BellSouth Telecommunications, Inc. ("BellSouth or Company"), a Georgia corporation, and LCI International Telecom Corp. ("LCI"), a Delaware corporation, and shall be deemed effective as of February 06, 1997.

WITNESSETH

WHEREAS, BellSouth is a local exchange telecommunications company authorized to provide telecommunications services in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee; and

WHEREAS, LCI is certified to provide local exchange services in the states of Alabama, Florida, Georgia, Mississippi, South Carolina, and Tennessee; and

WHEREAS, LCI's certification is pending in the states of Louisiana and North Carolina and LCI intends on becoming certified in Kentucky; and

WHEREAS, LCI desires to resell BellSouth's local telecommunications services ("Services"); and

WHEREAS, LCI intends on negotiating a more comprehensive interconnection agreement containing local resale with BellSouth in the near future; and

WHEREAS, BellSouth has agreed to provide such Services to LCI for resale purposes and pursuant to the terms and conditions set forth herein.

NOW, THEREFORE, for and in consideration of the mutual promises and promises contained herein, BellSouth and LCI do hereby agree as follows:

I. Term of the Agreement

A. The term of this Agreement shall be six (6) months beginning February 06, 1997 and shall apply to all of BellSouth's serving territory as of January 1, 1997, in the states of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee.

B. This Agreement shall be automatically renewed for seven (7) additional six (6) month periods unless either party indicates its intent not to renew the Agreement. Notice of such intent must be provided, in writing, to the other party no later than forty-five (45) days prior to the end of the then-existing contract period. The terms of this Agreement shall remain in effect after the term of the existing agreement has expired or terminated (except for termination by BellSouth of LCI for material breach) and while a new agreement is being negotiated.

C. Company and LCI will cooperate in good faith to effect an orderly transition of service under this Agreement. Company agrees to exercise reasonable efforts to avoid or minimize service disruptions or degradation in services during the transition.

D. The rates pursuant by which LCI is to purchase Resale Services from BellSouth for resale shall be at a discount rate off of the retail rate for the telecommunications service. The discount rates shall be as set forth in Exhibit A, attached hereto and incorporated herein by this reference. Such discounts are intended to reflect the costs avoided by BellSouth when selling a retail service for wholesale purposes.

II. Definition of Terms

A. **ACT** means the Communications Act of 1934 (47 U.S.C. Section 151 et seq.), as amended by the Telecommunications Act of 1996, and as from time to time interpreted in the duly authorized rules and regulations of the FCC or a commission having authority to interpret the ACT within its state of jurisdiction.

B. **CUSTOMER OF RECORD** means the entity responsible for placing application for service; requesting additions, rearrangements, maintenance or discontinuance of service; payment in full of charges incurred such as toll, directory assistance, etc.

C. **DEPOSIT** means assurance provided by a customer in the form of cash, surety bond, or bank letter of credit to be held by the Company.

H. **RESALE** means an activity wherein a certified OLEC, such as LCI subscribes to the certified telecommunications services of the Company provided at a discount rate off of the retail rate as specified in Exhibit A and then resells those telecommunications services to the public (with or without "adding value").

I. **RESALE SERVICE AREA** means the area, as defined in a public service commission approved certificate of operation, within which an OLEC, such as LCI, may offer resold local exchange telecommunications service.

III. General Provisions

- A. LCI may resell the tariffed local exchange and toll telecommunications services of BellSouth subject to the terms and conditions specifically set forth herein. In Florida, Georgia, Kentucky, Louisiana, North Carolina, and Tennessee, BellSouth shall make available those services BellSouth is required to make available as a result of any order (from a generic docket or as the result of an arbitration award) of a state commission relating to resale and shall make available any other service BellSouth is making available to another reseller. In Alabama, Mississippi, and South Carolina, BellSouth shall make available all other tariffed local exchange and toll telecommunications services except the following are not available for resale: Grandfathered services; promotional and special mail service offerings; lifeline and limited services; contract service arrangements; installation billing options; 911 and E911 services; interconnection services for mobile service providers; legislatively or administratively mandated specialized discounts (e.g., education institution discount) and discounted services to meet competitive situations; provided, however, that in the event the FCC or applicable state commission orders an order (from a generic docket or as the result of an arbitration award) requiring BellSouth to provide any of the foregoing services or in the event BellSouth makes any of such services available to a reseller, such services shall be made available to LCI upon request by LCI. In all states in the BellSouth region, BellSouth shall make available to LCI to sell to its End Users, without the wholesale discount, voice messaging service and inside wire maintenance plan.
- B. The provision of services by the Company to LCI does not constitute a joint undertaking for the furnishing of any service.
- C. LCI will be the Customer of Record for all Resale Services purchased from BellSouth. Except as specified herein, the Company will take orders from, bill and expect payment from LCI for all services.
- D. LCI will be the Company's single point of contact for all services purchased pursuant to this Agreement. The Company shall have no contact with the End User except to the extent provided for herein.
- E. The Company will continue to bill the End User for any services that the End User specifies it wishes to receive directly from the Company.
- F. The Company maintains the right to serve directly any End User within the service area of LCI. The Company will continue to directly market its own telecommunications products and services and in doing so may establish independent relationships with End Users of LCI; provided, however, Company shall not market Company resale products or services during contact with LCI's End Users in performing the Company's obligations under the Agreement.

Exhibit 1

G. In those instances where LCI requires BellSouth personnel to interface directly with LCI customers, either orally in person or by telephone, or in writing, such personnel shall identify themselves as BellSouth's employees representing LCI.

H. BellSouth shall provide training for all its employees who may communicate, either by telephone or face-to-face, with LCI End User to ensure that the requirements of this Agreement are met.

I. LCI shall authorize all customer contacts initiated by BellSouth on behalf of LCI.

J. LCI shall not interfere with the right of any person or entity to obtain service directly from the Company.

K. [LEFT BLANK INTENTIONALLY]

L. Telephone numbers are assigned the service furnished. LCI has no property-right to the telephone number or any other call designation associated with service furnished by the Company and has no right to the continuance of service through a particular central office. Subject to applicable federal and state law, rule or regulation or state commission order, the Company reserves the right to change such numbers, or the central office designation associated with such numbers, or both, whenever the Company deems it necessary to do so in the conduct of its business. Notwithstanding the foregoing, LCI does not waive its right to local number portability, for local resale in accordance with the requirements of the Act.

M. The Company may provide any service or facility for which a charge is not established herein, as long as it is offered on the same terms to LCI.

N. Service is furnished subject to the condition that it will not be used for any unlawful purpose.

O. Service will be discontinued if any law enforcement agency advises that the service being used is in violation of the law.

P. The Company accepts no responsibility to any person for any unlawful act committed by LCI or its End Users as part of providing service to LCI for purposes of resale or otherwise.

Q. The Company will cooperate fully with law enforcement agencies with subpoenas and court orders for assistance with the Company's customers. Law enforcement agency subpoenas and court orders regarding End Users of LCI will be directed to LCI. The Company will bill LCI for implementing any requests by law enforcement agencies regarding LCI End Users.

R. The characteristics and methods of operation of any circuits, facilities or equipment provided by other than the Company shall not:

1. Interfere with or impair service over any facilities of the Company, its affiliates, or its connecting and concurring carriers involved in its service;

Exhibit 1
Page 5 of 41

2. Cause damage to their facilities and equipment;
3. Impair the privacy of any communications; or
4. Create hazards to any employees or the public.

3. LCI assumes the responsibility of notifying the Company regarding LCI's use of a resold service in a manner that is below industry standards.

T. Facilities and/or equipment utilized by BellSouth to provide service to LCI remain the property of BellSouth.

U. Within page directory listings will be provided in accordance with regulations set forth in Section A6 of the General Subscriber Service Tariff and will be available for resale.

IV. BellSouth's Provider of Services to LCI

A. LCI agrees that its resale of BellSouth services shall be as follows:

1. The resale of telecommunications services shall be limited to users and users conforming to the class of service restrictions.

2. To the extent LCI is a telecommunications carrier that serves greater than 5 percent of the Nation's preidentified access lines, LCI shall not jointly market its interLATA Agreement with the telecommunications services purchased from BellSouth pursuant to this Agreement to any of the states covered under this Agreement. For the purposes of this subsection, to jointly market means any advertisement marketing effort or billing in which the telecommunications services purchased from BellSouth for purposes of resale discontinued or offered together in any way to the end user. Such efforts include, but are not limited to, sales referrals, resale arrangements, sales agencies or billing agreements. This subsection shall be void and of no effect for a particular state covered under this Agreement as of February 8, 1999 or on the date BellSouth is authorized to offer interLATA services in that state, whichever is earlier.

3. Home and Hospital PBX services are the only telecommunications services available for resale to Home/Hotel and Hospital End Users, respectively. Similarly, Access Line Service for Customer Provided Coin Telephones is the only local service available for resale to COCOTS customers. Shared Trunk Service customers can only be sold those telecommunications services available in the Company's A23 Shared Trunk Service Tariff.

4. LCI is prohibited from furnishing both flat and measured rate service on the same business premises to the same subscribers (End Users) as stated in A2 of the Company's Tariff except for backup service as indicated in the applicable same tariff Section A3.

5. If telephone service is established and it is subsequently determined that the class of service restriction has been violated, LCI will be notified and billing for that service will

Exhibit 1
Page 6 of 41

be immediately changed to the appropriate class of service. Services charges for changes between class of service, backbilling, and interest shall apply at the Company's sole discretion.

6. The Company reserves the right to periodically audit services purchased by LCI to establish authenticity of use. Such audit shall not occur more than once in a calendar year. LCI shall make any and all records and data available to the Company or the Company's auditor's on a reasonable basis during normal business hours. The Company shall bear the cost of said audit.

B. Resold services can only be used in the same manner as specified in the Company's Tariff. Resold services are subject to the same terms and conditions as are specified for such services when furnished to an individual End User of the Company in the appropriate section of the Company's Tariff. Specific tariff features, e.g. a usage allowance per month, shall not be aggregated across multiple resold services. Resold services cannot be used to aggregate traffic from more than one End User customer except as specified in Section A23. of the Company's Tariff referring to Shared Tenant Service.

C. LCI may resell services only within the specific resale service area as defined in its certificate(s).

D. Telephone numbers transmitted via any resold service feature are intended solely for the use of the End User of the feature. LCI will not resell this information.

E. No patent, copyright, trademark or other proprietary right is licensed, granted or otherwise transferred by this Agreement. LCI is strictly prohibited from any use, including but not limited to sales, marketing or advertising, of any BellSouth name or trademark.

F. Any service made available for resale by Company to LCI shall be equal in quality to the identical service provided by Company to itself or to any subsidiary, affiliate or any other person to which Company directly provides the Resale Service, including BellSouth's retail End Users.

G. Company shall provide LCI prior written or electronic notice, or notice in such other manner as the parties may mutually agree, of any changes in the terms and conditions under which Company offers Resale Services. The parties will provide in writing the designated persons to receive notice.

H. To the extent it is otherwise made available to a reseller or ordered by any state commission, Company shall retransmit on a state-by-state basis in the same manner at same time Operator Services and Directory Assistance Services upon LCI's request. To the extent it is made available to a reseller or ordered by a state commission, Company shall make available to LCI, upon LCI's request, the ability to route on state-by-state basis in the same manner at the same time Local Directory Assistance, Local Operator Services, and 611 calls, where available, to LCI-designated platform(s).

L. Upon LCI's request, to the extent it is made available to any reseller or ordered by any state commission, Company will provide to LCI on a state-by-state basis in the same manner performance benchmarks for the pre-ordering, ordering, provisioning, maintaining, repairing and billing of Resale Services.

V. Maintenance of Services

A. Services resold under the Company's Tariffs and facilities and equipment provided by the Company shall be maintained by the Company. Company will accept either verbal or electronic trouble reports from LCI associated with Resale Services. In addition, Company will provide LCI an electronic interface for trouble reporting and trouble disposition through the same electronic interface BellSouth provides to any other reseller. Such electronic interface will be consistent with industry standards.

B. Company shall repair and maintain Resale Services equal in quality and with the same timeliness that such repair and maintenance is provided to Company's subsidiaries, affiliates, other reseller, or other person to whom Company directly provides the Resale Service, including Company's retail End Users.

C. LCI or its End Users may not rearrange, move, disconnect, remove or attempt to repair any facilities owned by the Company, other than by connection or disconnection to any interface means used, except with the written consent of the Company.

E. LCI accepts responsibility to notify the Company of situations that arise that may result in a service problem.

F. LCI will be the Company's single point of contact for all repair calls on behalf of LCI's End Users.

G. LCI will contact the appropriate repair centers in accordance with reasonable procedures established by the Company. The Company shall provide LCI with adequate reference materials and training for contacting and interacting with repair centers.

H. For all repair requests, LCI accepts responsibility for adhering to the Company's prescreening guidelines prior to referring the trouble to the Company. The Company will provide LCI with reference materials and training for prescreening end-user troubles.

I. The Company will bill LCI for handling troubles that are found not to be in the Company's network under the same terms and conditions that the Company would bill its own End Users or any other reseller.

J. After LCI authorizes a repair contact, the Company reserves the right to contact LCI's customer, if deemed necessary, for maintenance purposes.

K. Non-branded "No Access" cards will be furnished during service calls by BellSouth to LCI End Users.

VI. Establishment of Service

A. After receiving certification as a local exchange company from the appropriate regulatory agency, LCI will provide the appropriate Company service center the necessary documentation to enable the Company to establish a master account for LCI. Such documentation shall include the Application for Master Account, proof of authority to provide telecommunications services, an Operating Company Number ("OCN") assigned by the National Exchange Carriers Association ("NECA") and a tax exemption certificate, if applicable. When necessary deposit requirements are met the Company will promptly begin taking orders for the resale of service.

B. Until such time as an electronic interface is available, pre-ordering and provisioning provided by Company to LCI under this Agreement shall be equal in quality and with the same timeliness to that provided by Company to any other reseller. When such electronic interface is available, such interface shall be provided to LCI at the same time or the same terms and conditions as provided any other reseller. Notwithstanding the foregoing, LCI does not waive its right to pre-ordering and provisioning under this Agreement equal in quality to that provided by Company to itself, to a any subsidiary or affiliate, or to any other person to whom Company directly provides the Resale Services, including Company's retail End Users. The interface will be consistent with industry standards.

C. Company shall provision Resale Services in a manner that is equal in quality and with the same timeliness as such Resale Services are provisioned to Company's subsidiaries, affiliates or other person to whom Company directly provides the Resale Service, including Company's retail End Users.

D. The Company will not require End User confirmation prior to establishing service for LCI's End User customer. LCI must, however, be able to demonstrate End User authorization upon request.

E. LCI will be the single point of contact with the Company for all subsequent ordering activity resulting in additions or changes to resale services except that the Company will accept a request directly from the End User for conversion of the End User's service from LCI to the Company or will accept a request from another OLEC for conversion of the End User's service from LCI to the other LEC. The Company will notify LCI that such a request has been processed.

F. If the Company determines that an unauthorized change in local service to LCI has occurred, the Company will reestablish service with the appropriate local service provider and will assess LCI as the OLEC initiating the unauthorized change, an unauthorized change charge similar to that described in F.C.C. Tariff No. 1, Section 13.3.3. Appropriate non-recurring charges, as set forth in Section A4. of the General Subscriber Service Tariff, will also be assessed to LCI.

These charges can be adjusted if LCI provides satisfactory proof of authorization.

(b) each Semi-Public line

Exhibit 1
Page 9 of 41

If LCI determines that an unauthorized change in local service to Company has occurred, the Company shall reestablish service with LCI and will be assessed by LCI an authorized change charge similar to that described in Section A4 of the General Subscriber Service Tariff.

G. The Company may, in order to safeguard its interest, require LCI to make a deposit to be held by the Company as a guarantee of the payment of rates and charges, unless satisfactory credit has already been established. Any such deposit may be held during the continuance of the service as security for the payment of any and all amounts accruing for the service.

H. Such deposit may not exceed two months' estimated billing.

I. The fact that a deposit has been made in no way relieves LCI from complying with the Company's regulations as to advance payments and the prompt payment of bills on presentation nor does it constitute a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of any sums due the Company.

J. The Company reserves the right to increase the deposit requirements when, in its sole judgment, the conditions justify such action.

K. In the event that LCI defaults on its account, any deposits held will be applied to its account.

L. In the case of a cash deposit, interest at the rate of six percent per annum shall be paid to LCI during the continuance of the deposit. Interest on a deposit shall accrue annually and, if requested, shall be annually credited to LCI by the accrual date.

VII. Billing Information

A. The provision of and access to billing information by Company to LCI under this Agreement shall provide LCI with the same billing capability and with same ability to timely bill LCI End Users as the Company, any of its subsidiaries or affiliates or any other reseller has to bill their end users.

B. Company shall provide to LCI Daily Usage Files ("DUF") for Resale Services pursuant to a separate agreement which will be executed simultaneously herewith.

C. Promptly, but no later than twenty-four (24) hours, after completion of a repair or service order authorized by LCI, Company shall notify a designated LCI representative of the time and materials charges associated with the repair or service order, until such time as a mechanized or electronic interface is implemented by Company. Notwithstanding the implementation of a mechanized-system or interface, Company shall make available to LCI such notification of time and material charges in the same manner and at the same time which BellSouth makes such notification available to any other reseller.

VIII. Payment And Billing Arrangements

- A. When the initial service is ordered by LCI, the Company will establish an accounts receivable master account for LCI.
- B. The Company shall bill LCI on a current basis all applicable charges and credits. The bill provided by Company to LCI shall include sufficient data to (i) enable LCI to bill all charges to its End Users in a timely manner and (ii) reconcile the billed charges with the usage data.
- C. Payment of all charges will be the responsibility of LCI. LCI shall make payment to the Company for all services billed. The Company is not responsible for payments not received by LCI from LCI's customer. The Company will not become involved in billing disputes that may arise between LCI and its customer. Payments made to the Company as payment on account will be credited to an accounts receivable master account and not to an End User's account.
- D. The Company will render bills each month on established bill days for each of LCI's accounts.
- E. The Company will bill LCI, in advance, charges for all services to be provided during the ensuing billing period except charges associated with service usage, which charges will be billed in arrears. Charges will be calculated on an individual End User account level, including, if applicable, any charges for usage or usage allowances. BellSouth will also bill all charges, including but not limited to 911 and E911 charges, telecommunications relay charges, and franchise fees, on an individual End User account level.
- F. The payment will be due by the next bill date (i.e., same date in the following month as the bill date) and is payable in immediately available funds. Payment is considered to have been made when received by the Company.
- If the payment due date falls on a Sunday or on a Holiday which is observed on a Monday, the payment due date shall be the first non-Holiday day following such Sunday or Holiday. If the payment due date falls on a Saturday or on a Holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-Holiday day preceding such Saturday or Holiday. If payment of amounts is not received by the payment due date, a late payment penalty, as set forth in I. following, shall apply.
- All bills must be received by LCI no later than ten (10) calendar days from the bill date and at least twenty (20) calendar days prior to the payment due date, whichever is earlier. Any bill received on a Saturday, Sunday or a day designated as a bank holiday will be deemed received the next business day. If LCI fails to receive the bill within the time period specified above the payment due date will be extended by the number of days receipt has been delayed.
- G. Upon proof of tax exempt certification from LCI, the total amount billed to LCI will not include any taxes due from the End User. LCI will be solely responsible for the computation, tracking, reporting and payment of all federal, state and/or local jurisdiction taxes associated with the services resold to the End User.

Exhibit 1
Page 11 of 41

B. As the customer of record, LCI will be responsible for, and remit to the Company, all charges applicable to its record services for emergency services (E911 and 911) and Telecommunications Relay Service (TRS) as well as any other charges of a similar nature.

Section 252 or more than thirty (30) days after acquiring actual knowledge of an Other Agreement not requiring the approval of the commission pursuant to 47 U.S.C. Section 252, as the case may be, such Other Terms shall be effective between BellSouth and LCI for the applicable terms as of the date on which LCI accepts such offer.

C. In the event that after the effective date of this Agreement the FCC or applicable state commission enters an order (a "Resale Order") requiring BellSouth to provide arrangements within any of the state(s) covered by this Agreement upon Other Terms, then upon such Resale Order becoming final and nonappealable or upon Company making available such Other Terms to any other reseller, whichever is earlier, then BellSouth shall be deemed to have offered such arrangements for the applicable state(s) to LCI upon such Other Terms in its entirety, which LCI may accept in its entirety with respect to local resale in the applicable state(s) as provided in Section XXXF. In the event that LCI accepts such offer within sixty (60) days after the date on which such Resale Order becomes effective, such Other Terms shall be effective between BellSouth and LCI as of the effective date of such Resale Order. In the event that LCI accepts such offer more than sixty (60) days after the date on which such Resale Order becomes effective, such Other Terms shall be effective between BellSouth and LCI for the applicable terms as of the date on which LCI accepts such offer.

D. In the event that after the effective date of this Agreement BellSouth files and subsequently receives approval for one or more interstate tariffs (such a "Resale Tariff") offering to provide arrangements within any of the state(s) covered by this Agreement upon Other Terms upon such Resale Tariff becoming effective, BellSouth shall be deemed thereby to have offered such arrangements for the applicable state to LCI upon such Other Terms, which LCI may accept as provided in Section XXXF. In the event that LCI accepts such offer within sixty (60) days after the date on which BellSouth and LCI for the applicable state(s) as of the date such terms were first made available to any other reseller.

An OLEC Daily Usage file (hereafter referred to as "ODUF") is available. ODUF will contain billable messages, that were carried over the BellSouth Network and processed in the CRIS Billing System, but billing to an OLEC customer. ODUF also includes operator handled calls originating from OLEC subscriber lines, for those OLECs who purchase Operator Services from BellSouth.

ODUF is available for both Facilities-based OLECs and Resellers. The service is provided under contract with the following rates applicable:

Messages that error in the billing system of the OLEC will be the responsibility of the OLEC. If, however, the OLEC should encounter significant volumes of errored messages that prevent processing by the OLEC within its systems, BellSouth will work with the OLEC to determine the source of the errors and the appropriate resolution.

SECOND AMENDMENT TO THE LOCAL RESALE AGREEMENT

This Second Amendment to the Local Resale Agreement entered into the 7 day of October, 1997 by and between BellSouth Telecommunications, Inc. ("BellSouth") and LCI International Telecom Corp. ("LCI").

WHEREAS, the parties entered into a Local Resale Agreement dated February 6, 1997, as amended ("Resale Agreement").

WHEREAS, the parties desire to amend the Resale Agreement to provide for performance benchmarks.

NOW, THEREFORE, in consideration of the material provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby covenant and agree as follows.

1. Delete Article VI.I, and insert the following therefore:

1. Performance Measurement

In providing Services, BellSouth will provide LCI with the quality of service BellSouth provides itself and its end-users. BellSouth's performance under this Agreement shall provide LCI with the capability to meet standards or other measurements that are at least equal to the level that BellSouth provides or is required to provide by law or its own internal procedures. BellSouth shall satisfy all service standards, measurements, and performance requirements set forth in the Agreement and the measurements specified in Exhibit "B" of this Agreement. Any conflict between the standards, measurements, and performance requirements BellSouth provides itself and the standards, measurements and performance requirements set forth in Exhibit "B" shall be resolved in favor of the higher standard, measurement and performance.

The Parties acknowledge that the need will arise for changes to the measurements specified in Exhibit "B" during the term of this Agreement. Such changes may include the addition or deletion of measurements or a change in the performance standard for any particular metric, as well as the provision of target performance levels, as set forth in Exhibit "B". Unless otherwise specified in Exhibit "B", the parties agree to review all measurements on a quarterly basis to determine if any changes are appropriate, and may include the provision to LCI of any additional measurements BellSouth may provide itself.

The Parties agree to monitor actual performance on a monthly basis and, if the Parties conclude it is required, develop a process improvement plan to improve quality of service provided as measured by the performance measurements, if necessary. Such a plan shall be developed where BellSouth's performance falls below either the level of performance it provides itself or the level of performance required in Exhibit "B".

Notwithstanding the foregoing, to the extent it is made available in a particular state(s) to any reseller or is ordered by a state commission, upon LCI's request, Company shall make available to LCI in such applicable state(s) in the same manner any other performance benchmarks and related reporting for the pre-ordering, ordering, provisioning, maintaining, repairing and billing of Resale Services.

2. Except as modified herein, the Resale Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties hereto have caused this Second Amendment to be executed by their respective duly authorized representatives on the date indicated below.

PERFORMANCE MEASUREMENT

PERFORMANCE MEASUREMENT

1.1 BellSouth, in providing Local Services to LCI pursuant to this Agreement, shall provide LCI the same quality of service that BellSouth provides itself and its end-users. This Attachment includes LCI's measurements for those requirements. The Parties have agreed to five (5) categories of Performance to be measured: (1) Provisioning; (2) Maintenance; (3) Billing (Data Usage and Data Carrier); (4) Data Bases, e.g. LIBD and (5) Account Maintenance. Each category includes measurements which focus on timeliness, accuracy and quality. BellSouth shall measure the following activities to meet the goals provided herein.

1.2 Except as otherwise provided in this Attachment, BellSouth shall provide data on a monthly basis for each state and for the nine states served by BellSouth. The data shall be reported to LCI in a mutually agreed upon format which will enable LCI to compare BellSouth's performance for itself with respect to a specific measure to BellSouth's performance for LCI for that same specific measure. BellSouth shall also provide the raw data used to calculate each measurement for LCI as reasonably requested by LCI. For provisioning and maintenance, separate measurements shall be provided as follows:

- POTS/Non-Design
 - Residences - Dispatch Out/Non-Dispatch Out
 - Business - Dispatch Out/Non-Dispatch Out
- Specials - Design Only

1.3 BellSouth and LCI recognize that percentage target certain performance levels and data have not been provided for all measurements and that such targets for certain categories of performance will be required to improve performance, to maintain parity with that which BellSouth has obligated itself to provide under this Agreement, or to improve service as LCI and BellSouth may mutually agree. BellSouth and LCI agree to meet and to discuss establishment of such targets quarterly, starting no later than ninety (90) days after actual performance occurs. Notwithstanding the foregoing, LCI reserves its rights to request

Exhibit 1
 Page 30 of 41

targets that exceed party. Such a request may require LCI to reimburse BellSouth for the reasonable and demonstrable cost BellSouth incurs to provide such performance, as the Parties may mutually agree.

2. PROVISIONING PERFORMANCE MEASUREMENTS

Provisioning performed by BellSouth will meet the following measurements:

- 2.1 **Desired Due Date:** Measures as a percent how often BellSouth is able to meet LCI's desired due date for provisioning Local Services. BellSouth has stated that it cannot provide this measurement at this time. The Parties agree to review BellSouth's ability to provide Desired Due Date no later than October 1, 1997. Until such time as BellSouth provides this measurement, BellSouth agrees to provide a range of intervals provided below that it represents are reflective of the time it takes to install Local Services.
