DOCKET NO. 980980-TI  
PAGE 2

Innovative Telecom Corporation (Innovative) is the holder of Interexchange Telecommunications Certificate No. 4716. Innovative Holdings Corporation (IHC) is ITC's parent company. Precision Systems, Inc. (Precision) is a subsidiary of Speer Communications Holdings Limited Partnership (Speer).

By letter dated July 31, 1998, Innovative and Speer jointly filed a request with this Commission for approval of transfer of control of Innovative to Speer. The transfer of control will be accomplished through a merger of IHC with Precision. Innovative has stated that the transaction will be virtually transparent to its Florida customers and it will continue to operate under its current certificate and tariff on file with this Commission.

We determine that Innovative and Speer have met the requirements of Section 364.33, Florida Statutes. Accordingly, we find that the transfer of control is in the public interest, and we approve it pursuant to Section 364.33, Florida Statutes.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that the transfer of control of Innovative Telecom Corporation to Speer Communications Holdings Limited Partnership is hereby approved. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed.
