EXHIBIT A

Statement of Financial Capability and Relevant Financial Information

2ND CENTURY COMMUNICATIONS, INC. ("2nd Century") is financially qualified to operate as a competitive local exchange carrier in Florida. As a start-up company, 2nd Century has no significant financial history, and currently is in the process of making enormous network investments, as well as securing vendors for the equipment and construction of its network. However, as is evident from 2nd Century's financial statements (*see* 2nd Century's Balance Sheet, Statement of Operations and Cash Flow statement, which are being filed with this Application *under seal*), 2nd Century has the necessary financial resources to provide the local exchange services described in this Application and to finance its operations in order to maintain the provision of these services. Specifically, as demonstrated in its Cash Flow statement, 2nd Century has access to ample capital, provided through privately-placed venture capital investment, to fund the construction and operation of 2nd Century's telecommunications network in Florida, and to meet any lease and ownership obligations associated with its provision of local exchange services in Florida.
