INVOLVED IN DOCKET # 980163-WS.

This is an official protest of your recommendation dated OCT 22, 1998 and received by us on OCT 26, 1998, which states TMV had the right to disconnect our water on 9-26-94. The bills shown on the accounting sheet are illegal double billings (EXTORTION) and we have full documentary evidence to prove it completely.

Please, acknowledge this immediately!

The office of Senator Burt Boeke has been contacted, and Mr. Todd Mowl is to contact you immediately.

Sincerely,

Robert A. Lawrence

Ruth C. Lawrence

PS: My doctor yesterday prohibited my driving to Tallahassee, which would be hazardous from my record of 5 recent heart attacks.
