Re: Docket No. 981132-TC North American Telephone Co.

Attention: Commission Conference Staff:

I am writing on behalf of North American Telephone Co. as their Corporate Counsel. This is to inform you that this Company no longer owns or operates pay telephones. Therefore, we no longer require a pay telephone certificate and would not care to renew any pay telephone certificate we may have had in the past. According to the PSC letter regarding the November 3, 1998 conference date the Commission is prepared to cancel the certificates or fine this Company \$500.00. As we have no pay telephones in use, we would expect that the certificates would be cancel and that no fine would be imposed as we are not in violation of Rule 25-4.0161.

Please feel free to contact me should you have any questions, at (813) 272-7000.
Thank you for your cooperation and attention to this matter.

Sincerely,

Laura M. Booker Esq.
Corporate Counsel for North American Telephone Co.
