MCI Telecommunications Corporation (MCI) has filed a fictitious name registration with the Florida Department of State to allow it to do business under the name "MCI WorldCom". A copy of the certification from the Department of State is attached.

MCI Telecommunications Corporation wishes to add this ficitious name to its certificates. MCI holds Certificate Numbers 61 (facilities based carrier), 3080 (pay telephone service provider), and 3996 (AAV and ALEC). Since MCI also wishes to continue to do business under its full corporate name, MCI asks that these certificates to amended to reflect:

MCI Telecommunications Corporation and MCI Telecommunications Corporation d/b/a MCI WorldCom

If you have any questions about this request, or need any additional information, please call.
