RE: Request for deferral of Item No. 43 from the November 3, 1998 Agenda Conference

Staff requests that Item No. 43 be deferred until additional information can be obtained from the FCC regarding interLATA ECS involving BellSouth. Recent FCC decisions regarding limited LATA modifications may impact staff's recommendation on the pending interLATA routes at issue in this item. Staff requests additional time to consult with the FCC regarding limited LATA modifications and specifically, its decision in CC Docket No. 96-159, DA 98-2027, issued October 15, 1998.
