# SETTLEMENT AGREEMENT

In Re: Complaint of Todd Collins  
against Florida Power & Light Company

FPSC Docket No. 981289

THIS AGREEMENT is between FLORIDA POWER & LIGHT COMPANY (referred to as "FPL"), and Todd Collins (referred to as "Customer").

FPL asserts that Customer owes the following amounts for billed service as of October 9, 1998:

<u>SERVICE ADDRESS</u>	<u>ACCOUNT NUMBER</u>	<u>SERVICE TO</u>	<u>AMOUNT</u>
434 NE 7 Ave #3	80090-64414	5/11/95	\$63.08
105 NE 16 Ter #4	08330-60403	7/10/95	\$234.47
1775 N Andrews Ave #W103	62010-24558	8/18/98	\$510.65
1800 N Andrews Ave #H7	85287-36011	10/9/98	\$201.43
		<u>TOTAL</u>	<u>\$1,009.63</u>

Customer filed his complaint with the Florida Public Service Commission ("FPSC") alleging that FPL did not credit Account Number 62010-24558 for a \$200.00 cash payment Customer claims he made at an FPL pay agent. Customer also disputes the amounts of \$63.08 (Account Number 80090-64414) and \$234.47 (Account Number 08330-60403). FPL asserts that it never received the alleged \$200.00 cash payment and that the amounts of \$63.08 (Account Number 80090-64414) and \$234.47 (Account Number 08330-60403) are Customer's obligations to FPL. No other amounts are in dispute by Customer.

Both Parties to this Agreement wish to reach a full and final settlement of this dispute set forth above.

The Parties to this Agreement, in consideration of the mutual covenants and agreements to be performed, as set forth below, agree as follows:

- Customer agrees to pay FPL the total sum of \$1,009.63 (referred to as "Amount Due"), as follows:  
  
Initial payment of \$125.00 on or before October 20, 1998, \$195.43 on or before October 30, 1998, and the balance of \$689.20 in 6 monthly installments of \$100.00 per month plus a final monthly installment of \$89.20, each monthly installment due on or before the "NEW Charges Past Due" date indicated on Customer's regular monthly bills from FPL commencing with the November 1998 monthly bill and continuing monthly thereafter until the total Amount Due plus all late payment charges are paid in full. A late payment charge will be assessed in the amount of 1.5% per month on the unpaid balance of the Amount Due. In the event the Customer defaults on any payment, the entire unpaid balance of the Amount Due shall be immediately due and payable and shall accrue a late payment charge of 1.5% per month and FPL may proceed with immediate disconnection of electric service in accordance with its approved tariff and the rules of the Commission. The Customer understands these payments are in addition to Customer's regular monthly bills from FPL.
- The parties agree that a satisfactory resolution regarding FPSC Docket No. 981289 has been reached and understand that the settlement is binding on both parties and that the parties waive any right to further review or action.

Dated 10/30/98, 1998.
