## Public Service Commission

October 9, 1998

Ms. Marlene Mendez, Vice President  
Ideal Telecommunications, Inc.  
14748 SW 56th Street, #281  
Miami, FL 33185-4067

Dear Ms. Mendez:

According to the Commission's Division of Records and Reporting, Mr. Nelson Mendez advised the Commission on March 19, 1998 that you had sold your "payphone route and are no longer in the payphone business."

Rule 25-24.514(2)(a) and (b), Cancellation of a Certificate, Florida Administrative Code, states:

- (2) If a certificated company desires to cancel its certificate, it shall request cancellation from the Commission in writing and shall provide the following with its request:
- (a) Statement of intent and date to pay Regulatory Assessment Fee.
  - (b) Statement of why the certificate is proposed to be cancelled.

A pay telephone company must pay at least \$50 in regulatory assessment fees (RAFs) to the Florida Public Service Commission each year if it is regulated for any day during that calendar year. Therefore, your company is still active until you comply with above rule. I will be able to open a docket to cancel your certificate effective March 19, 1998 once I receive your written intention concerning the payment of the RAFs.

Currently, \$76.50 in RAFs, including statutory penalties and interest, is past due. A breakdown is enclosed. The interest charge for the 1997 RAFs will continue to increase each month until paid. In addition, the minimum \$50 for the 1998 RAFs will become due January 30, 1999.

Ms. Marlene Mendez, Vice President

---

Recently mailed out my request for "updated information" from all the Companies/Utilities under the FPSC jurisdiction. Mr. Mendez responded with a note written on the letter (copy attached) advising he has sold his payphone route and is no longer in the payphone business.

Forwarding copy of my "updated information" for you information and further handling. No docket has been opened to cancel their certificate.. Until an order is issued to cancel their certificate, they will remain as an "active" company and continue to owe regulatory assessment fees.

Thanking you in advance for your assistance.
