---NOTE-----11/12/98-11:52am-

Paula, we just received in the mail an index card with a hand-written message advising "Business is sold. Please cancel Certificate No. 1864 issued to Liberty Tel Inc."

The card is not signed, but it was in an envelope with the company's return address printed on it. Do we want to put this in the referenced docket (PSC cancellation) and change it to a voluntary cancellation?

Kay

No, don't change the title yet. Can you send me a copy for my file? I have been in contact with Angela Green and the company's accountant and they are supposed to pay all past due charges, but I have not received word that they paid their RAFs yet. I told Angela that once RAFs are paid (the company has been sold) we can change the title, but until then... I did tell Angela that I would revise the CASR to give them more time to get everything resolved since the owner of the business has terminal cancer. Thanks.

I'll put a copy in the interoffice mail to you. I will put the original in the 981206 docket file but of course won't change the title.
