**RE:** Docket No. 961321-WS, Application for certificates to provide water and wastewater service in Clay County by Point Water and Sewer, Inc.

The utility has changed its petition to an application for transfer of facilities to a governmental authority. Staff therefore requests that the docket title be changed as shown below. Note that, since certificates were never issued, none are listed in the docket title.

Application of Point Water and Sewer, Inc., for transfer of water and wastewater facilities in Clay County to Clay County Utility Authority.

Thank you.
