Dear Commissioners

Dec 7, 1998

In regards to Docket # 97117-SU disposition of CIAC gross-up funds collected by North Fort Myers Utility Inc in Lee County.

I believe it is impossible for all persons involved in this problem if any can show-up at the hearing on December 15 1998 as most are retired and cant travel all the way to Tallahassee but I can say charging over 700<sup>00</sup> for hooking up to a sewer which was already hooked-up is highway robbery. I did send a check under protest as I poured from Peter to pay Paul and avoid that 10% charge for each months balance they are charging.

I therefore believe that all parties that payed the asking amount should also get 10% interest on whatever money Ft Myers Utility returned as they already have banked our full payments.
