Re: Docket No. 980552-TI

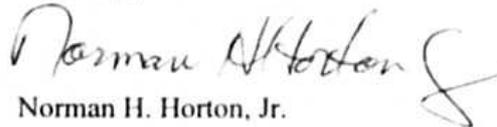

Dear Ms. Bayo:

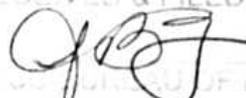

By Order No. PSC-98-0759-FOF-TI issued June 1, 1998, the Commission approved a proposal submitted by One Call Communications, Inc. d/b/a Opticom, a division of One Call Communications, Inc. to reduce rates prospectively so as to reduce revenue by \$7,500. A requirement of the Order is that Opticom provide a report to the PSC until the \$7,500 has been "refunded".

This is to advise you that for the 30 day period from November 1, to November 30 revenue was reduced by \$1,529.70. The total revenue reduction since July 1 is \$8,675.60 which exceeds the amount which was required to be refunded. We believe that the requirements of the Order have been met and would request that the Commission acknowledge our compliance and close the docket.

Should you have any questions, please call me.

Sincerely,

  
Norman H. Horton, Jr.
