Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing alternative access vendor service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

The regulatory assessment fee forms are mailed to the entities in December of every year, for the period of January 1, through December 31. U.S. Telesys has been given adequate opportunity to pay. The Commission's correspondence regarding the regulatory assessment fees was signed for and delivered to U.S. Telesys on December 15, 1997. To date, U.S. Telesys has not paid the required fees.

For the reason described above, pursuant to Rule 25-24.514(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel U.S. Telesys' certificate, unless U.S. Telesys pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, and remits all past due regulatory assessment fees, along with statutory penalties and interest charges, to the Florida Public Service Commission. U.S. Telesys must comply with these requirements within five business days from the date this Order becomes final. The fine will be remitted to the Comptroller for deposit in the State of Florida General Revenue Fund, pursuant to Section 364.516, Florida Statutes.

When the appropriate fees, statutory penalties, interest charges, and fine are received, this Docket shall be closed. Should U.S. Telesys fail to comply with this Order within five business days from the date this Order becomes final, U.S. Telesys shall have its certificate canceled and the Docket shall be closed. The cancellation of the certificate and the closing of the Docket in no way diminishes U.S. Telesys' obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges.

Based on the foregoing, it is

ORDERED by the Florida Public Service Commission that U.S. Telesys, L.P. must pay the past due regulatory assessment fees, statutory penalties, interest charges, and a \$500 fine to the

Florida Public Service Commission for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, within five business days from the date this Order becomes final. The fine will be transmitted to the Comptroller for deposit in the State of Florida General Revenue Fund. It is further

ORDERED that should U.S. Telesys, L.P. fail to comply with this Order, U.S. Telesys, L.P.'s certificate shall be canceled, and the Docket shall be closed. It is further

ORDERED that the cancellation of the certificate and the closing of the docket in no way diminishes U.S. Telesys, L.P.'s obligation to pay applicable delinquent regulatory assessment fees, statutory penalties, and interest charges. It is further

ORDERED that the provisions of this Order, issued as proposed agency action, shall become final and effective unless an appropriate petition, in the form provided by Rule 28-106.201, Florida Administrative Code, is received by the Director, Division of Records and Reporting, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, by the close of business on the date set forth in the "Notice of Further Proceedings or Judicial Review" attached hereto. It is further

ORDERED that in the event this Order becomes final, this Docket shall be closed upon payment of the fine, and fees, or upon cancellation of the certificate.
