RE: #951235 - WS (Gospel Crusade, Inc. /' DAB Christian Retreat)

Dear Sirs:

In response to a telephone call I received on December 21, 1998, I am responding with an outline of our schedule to install a sewer system to connect with the county sewer line.

In addition we have signed a construction contract with Woodriff Construction Company with a time line to correspond with the included time line submitted and accepted by the DEP.

Construction will begin on or about Jan. 15, 1999 and hook up on or about March 1, 1999 with final completion of the lift station and running on or about May 1, 1999. The current plant has been sold and will be removed and moved on or about March 18, 1999,

I hope this satisfies all your questions but if you need more information, please do not hesitate to call 1-800-782-6414 and ask for Gail Sylvia.

Sincerely,

Gail Sylvia
