Dear Sirs;

I am writing to you in opposition to the extension of wastewater service to Township 43 S. Range 24 E. Lee County. That part of the N. 1/2 of Section 35 lying E. of State Rd. 45A (Also known as U.S. Highway 41 Business) except the S. 1/4 of the S.W. 1/4 of the N.E. 1/4 of said Section 35.

I do not understand how the North Ft. Meyers Utility, Inc. started charging for their connection fees and service prior to obtaining the right to service the area in question. It would seem to me that this is illegal.

I understand that the common areas, owned by MHC, were exempted from the service charges. This would seem to be a Quid Pro Quo.

Sincerely,

*Harriet M. Robinson*
