Re: Telecom Resources, Inc. d/b/a TRINetwork, Inc.

Dear Sir/Madam:

Please accept this letter as notification that Telecom Resources, Inc. d/b/a TRINetwork, Inc. ("TRI") has transferred control to Advanced Communications Group, Inc. ("ACG"). TRI was issued a Certificate to Provide Interexchange Telecommunications Service in Docket No. 980439TI effective June 30, 1998.

On November 19, 1998, ACG acquired control of TRI through the merger of an ACG subsidiary created for this transaction with and into TRI. The separate corporate existence of the ACG subsidiary ceased as a result of this merger. TRI is the surviving corporation. As a result of this merger, ACG has acquired all of TRI's issued and outstanding stock and TRI is now a wholly-owned subsidiary of ACG. The company will continue to operate as Telecom Resources, Inc. and only the underlying ownership of TRI has changed as a result of this transaction.

If you have any questions, or if I may provide you with additional information, please do not hesitate to contact me.
