BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Initiation of show cause proceedings against Least Cost Routing d/b/a Long Distance Charges for violation of Rule 25-4.118, F.A.C., Interexchange Carrier Selection.

DOCKET NO. 980897-TI
ORDER NO. PSC-99-0072-AS-TI
ISSUED: January 8, 1999

The following Commissioners participated in the disposition of this matter:

- JULIA L. JOHNSON, Chairman
- J. TERRY DEASON
- SUSAN F. CLARK
- JOE GARCIA
- E. LEON JACOBS, JR.

ORDER APPROVING OFFER OF SETTLEMENT

BY THE COMMISSION:

Least Cost Routing d/b/a Long Distance Charges, Certificate Number 4402, is a provider of interexchange telecommunications service and was certificated on February 27, 1996. As a provider of interexchange telecommunications service in Florida, Least Cost Routing d/b/a Long Distance Charges (LDC) is subject to the rules and regulations of this Commission.

For the period March 26, 1996, through July 15, 1998, this Commission received 279 complaints against LDC. At least 68 of these were determined to be apparent unauthorized carrier change (slamming) infractions in violation of Rule 25-4.118, Florida Administrative Code. Based on the number of complaints received and the number of apparent slamming violations, we issued Order No. PSC-98-1205-SC-TI, on September 9, 1998, requiring LDC to show cause by September 30, 1998, why it should not have Certificate Number 4402 canceled or be fined \$680,000 for 68 apparent violations of Rule 25-4.118, Florida Administrative Code.

FPSC-REGGADS/REPORTING

After the show cause order was issued, LDC initiated settlement discussions with PSC staff. On November 10, 1998, LDC submitted a proposal to settle the case.

SETTLEMENT

The settlement offer is attached and incorporated herein as Attachment A. In the offer, LDC agrees to the following:

- (1) LDC will not market its services in Florida for a period of at least three years from the date that this settlement offer has been agreed to by the Commission.
- (2) LDC will not resume its marketing efforts thereafter in the state of Florida until such marketing methods which LDC proposes to utilize have been approved by our staff.
- (3) LDC will resolve all current and future consumer complaints associated with its past marketing practices in a timely manner.
- (4) LDC will make a contribution of \$70,000 to the General Revenue Fund of the State of Florida, with no admission of liability or wrongdoing.

We believe LDC's proposal to stop marketing its services in Florida for a period of at least three years will allow LDC an opportunity to evaluate its current marketing techniques and make necessary revisions to reduce consumer complaints. We believe that obtaining prior approval of future marketing methods will result in fewer consumer complaints should LDC decide to resume marketing in Florida. We also believe that LDC should continue to respond to complaints in a timely manner. Considering these factors, as well as the \$70,000 contribution by LDC, we believe the terms of the settlement agreement to be fair and reasonable.

As a certificated telecommunications company, LDC is required to continue to adhere to the rules of the Florida Public Service Commission.

Re: Docket No. 980897-TI

Dear Ms. Bedell:

Long Distance Charges ("LDC") received your letter dated November 4, 1998. LDC accepts the condition that no marketing be done in Florida for the next three (3) years in return for a settlement of Seventy Thousand Dollars (\$70,000). As LDC believes you are aware, LDC stopped marketing in June 1998 and has no plans to begin marketing again. If after three years LDC should decide to consider marketing in Florida, LDC will first seek written approval from the Florida Public Service Commission.

With regard to the other issue you raised in your letter LDC believes that all complaints have been fully resolved either through a re-rating of the phone bill or a complete and full refund. LDC understands that since LDC stopped marketing in June 1998 it will take a few months for the complaints to show any significant decrease. However LDC's customer service department has already shown a dramatic decrease. In a report LDC received from the Florida PSC dated November 9, 1998 LDC has no unresolved complaints. Two of the entries on the report do not belong to LDC but rather to Least Cost Routing of Clearwater Florida. LDC has and will continue to rectify any and all complaints from Florida consumers.

Please advise to whom the check should be made out and when the settlement document will be available for us to sign. The check is available upon request by the Florida PSC.

LDC appreciates the Florida PSC willingness to work with LDC to get this problem resolved.

Sincerely,

Mr. Ned Gershenson
President
