NOTICE OF PROPOSED AGENCY ACTION
ORDER IMPOSING FINES OR CANCELING INTEREXCHANGE
TELECOMMUNICATIONS CERTIFICATE

BY THE COMMISSION:

NOTICE is hereby given by the Florida Public Service Commission that the action discussed herein is preliminary in nature and will become final unless a person whose interests are substantially affected files a petition for a formal proceeding, pursuant to Rule 25-22.029, Florida Administrative Code.

Datacomm International Company LTD. (Datacomm) currently holds Certificate of Public Convenience and Necessity No. 3485, issued by the Commission on October 29, 1993, authorizing the provision of interexchange telecommunications service. Under Section 364.336, Florida Statutes, certificate holders must pay a minimum annual regulatory assessment fee of \$50 if the certificate was active

during any portion of the calendar year. Pursuant to Rule 25-4.0161(2), Florida Administrative Code, the form and applicable fees are due to the Florida Public Service Commission by January 30 of the subsequent year. All entities that apply for certification receive a copy of our rules governing interexchange telecommunications service and an affidavit in which the applicants attest that the rules have been received and understood by the applicant. This affidavit must be attached to the application in order for the application to be processed.

The regulatory assessment fee forms are mailed to the entities in December of every year, for the period of January 1, through December 31. The Commission's correspondence to Datacomm was returned by the United States Postal Service. Datacomm was informed that it had not paid the regulatory assessment fees required by Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code, for the year 1997, nor statutory penalties and interest charges for the years 1996, and 1997.

The return of these materials indicates that Datacomm may have violated Rule 25-24.480(1)(a), Florida Administrative Code, which requires the reporting to the Commission of an address change within ten (10) days of its effectiveness. The Commission staff also attempted to reach the contact person of Datacomm by telephone. This effort was unsuccessful, indicating that Datacomm may have also violated Rule 25-24.480(1)(b), Florida Administrative Code, which requires the reporting to the Commission of a change in the name, title, or telephone number of the individual responsible for Commission contacts.

After this docket was opened but before our staff's recommendation was filed, Datacomm called our staff and immediately paid all the past due charges and updated the information required by Rule 25-24.480, Florida Administrative Code.

Pursuant to Section 364.285, Florida Statutes, the Commission may impose a fine or cancel a certificate if a company fails to comply with Commission rules. For the reason described above, pursuant to Rule 25-24.474(1)(b) and (c), Florida Administrative Code, we find it appropriate to cancel Datacomm's certificate, unless Datacomm pays a \$500 fine for failure to comply with Section 364.336, Florida Statutes, and Rule 25-4.0161, Florida Administrative Code; and a \$500 fine for failure to comply with Rule 25-24.480, Florida Administrative Code to the Florida Public Service Commission.
