====NOTE=====1/22/99==9:52am==

You had put a note on this when you sent and asked if the date should be 1/7, when we received the request since he had written "out of business since 7/98." If we had received the request closer to July, I would agree. However, I don't have a problem with putting 12/98.

Please change the title of the docket to "...effective December 31, 1998."
Thanks!
