DOCKET NO. 961321-WS - Application of Point Water & Sewer, Inc. for transfer of water and wastewater facilities in Clay County to Clay County Utility Authority.

(Continued from previous page)

Issue 2: Should the withdrawal of the protest by the PPOA to PWS's application for water and wastewater certificates be acknowledged and the transfer of facilities from PWS to CCUA be approved?

Recommendation: Yes. The Commission should acknowledge the withdrawal of the protest by the PPOA to PWS's application for water and wastewater certificates and approve the transfer of facilities from PWS to CCUA as a matter of right. The Commission need not take action on PWS's original application for certificates of authorization as the transfer renders the application for certificates moot. The jurisdictional period for PWS should be January 1, 1996 through November 3, 1998.

APPROVED

Issue 3: Should this docket be closed?

Recommendation: Yes.
