Re: Matt Murphy

Sirs:

In the next few days, Brittan Communications International Corporation's primary lender, who is also a secured creditor, will be foreclosing on all of the company's assets. The company will be left with no assets once the foreclosure takes place with which to pay unsecured creditors and will cease doing business.

Please contact the undersigned if you have any questions pertaining to this matter. I may be reached at extension 148.

Sincerely,

William R. Reiss
General Counsel
