Re: **CONFIDENTIAL MATERIALS**
Response to Staff Data Request - Undocketed

990000-PU

Dear Ms. Bayó:

Enclosed in response to a data request dated January 12, 1999 from the Division of Communications is a copy of the back-up information for certain access flow-through tariff reductions made by MCI during 1998. Most of the information on this exhibit is proprietary confidential business information of MCI within the meaning of Section 364.183(1), Florida Statutes.

One copy is enclosed which highlights the information for which MCI claims confidentiality. Two redacted copies are also enclosed.

MCI understands that the staff intends to provide the Commission with information on the aggregate amount of reductions to business and residential customers. MCI does not object to the use of its information on that aggregated basis.

MCI requests that this information be returned to it once the staff has completed its analysis.

If you have any questions, please call.

Very truly yours,

Richard D. Melson
