RE: Docket No. 980214-WS, Application of United Water Florida, Inc., for Increased Water and Wastewater Rates in Duval, Nassau and St. Johns Counties

We respectfully request an extension of the recommendation filing deadline in the above-referenced case until noon on Friday, February 5, 1999. The utility requested a deferral from the February 2, 1999 agenda conference to the February 16, 1999 agenda conference so that Staff might file a revised recommendation. As we did not receive the necessary information from the utility until Tuesday, February 2 1999, we are unable to incorporate the results of our revised analysis into a recommendation by today's noon filing deadline. Thank you for your consideration.
