Re: Docket No. 981795-TP: Investigation into Telephone Exchange Boundary Issues in South Volusia County (Deltona area)

Dear Ms. Miller:

Thank you for your February 1, 1999, letter to Chairman Joe Garcia regarding petitions containing 58 signatures from residents within the City of Deltona who are opposed to bringing a third area code to the City of Deltona. We truly appreciate your interest and willingness to work with the Florida Public Service Commission in this effort. I am responding to your letter because Chairman Garcia is prohibited by Chapter 350, Florida Statutes, from commenting on the merits of matters pending before the Commission.

As you may be aware, the Florida Public Service Commission conducted several public hearings for customers in the Orlando and Brevard County areas regarding the overlay plan for the 407 area code. Upon review of the record and the recommendation of the Commission's staff, the Commission voted on December 1, 1998, to adopt the staff recommendation whereby Brevard County would receive a new area code, and the new area code also would overlay the existing 407 area code in Orange, Seminole, and Osceola Counties. (See Order No. PSC-98-1761-FOF-TL) The Commission felt that this plan would keep the strongest communities of interest intact and provide the longest lives for the old and new area codes.

In addition, the Commission has opened a new docket, Docket No. 981795-TP, in an effort to address the issues that you raise in your letter regarding the Deltona area. The Commission's staff conducted a workshop on Thursday, January 28, 1999, at 2:30 pm at the Deltona Community Center, 980 Lakeshore Drive, Deltona, Florida. We appreciated the City of Deltona's participation in this workshop.

Sincerely,

Dear Mr. Garcia:

Re: Docket No. 981795-TP

Enclosed please find petitions containing **58** signatures from residents within the City of Deltona who are opposed to bringing a third area to the City of Deltona, causing the City to have area codes of 407, 904, and a third area code. The new area code overlay would make it even more confusing to residents and businesses in the Southwest Volusia area, particularly Deltona, and would place a significant burden on a City that is already split into two area codes.

We strongly urge your support in this matter.

Please share these petitions with the remaining members of the Public Service Commission.

If you should have any questions regarding the attached petitions, please feel free to contact my office at (407) 860-7160.

Sincerely,

CITY OF DELTONA

Faith G. Miller, CMC/AAE
